

Pandemic (H1N1) 2009

Please distribute to all physicians at this fax.

Date:	November 4, 2009
To:	All Alberta Physicians
From:	Senior Physician Executive
Re:	Launch of Alberta Pandemic (H1N1) 2009 Surveillance Update Health Care Professional Snapshot

From November 4, 2009, the Public Health Surveillance Team will post the Alberta Pandemic (H1N1) 2009 Surveillance Update – Health Professional Snapshot on the Pandemic (H1N1) 2009 Information for Health Professionals website. Report indicators will be updated on a daily or weekly basis as available.

The Surveillance Update includes:

1. What's New: a short description of emerging issues or risks
2. Risk factor profile for hospitalization and deaths
3. Hospitalization Trend for Pandemic (H1N1) 2009 cases, including age distribution
4. Number of respiratory outbreaks in closed facilities by AHS Zone
5. Profile of viruses circulating in Alberta
6. Proportion of patients with influenza-like illnesses seen by TARRANT Sentinel physicians
7. Number of Pandemic (H1N1) 2009 Vaccine doses delivered by AHS Zone
8. Number of Antivirals dispensed by community pharmacies
9. Links to news feeds about Pandemic (H1N1) 2009

Where is it posted?

The Health Professional Snapshot is available on the Alberta Health Services Pandemic (H1N1) 2009 Information for Health Professionals website at:

<http://www.albertahealthservices.ca/660.asp>
