

AHS Stock Requisition N95 Respirators for Physicians

Alberta Health Services will provide physicians who have been fit tested using either 3M or Kimberly Clark equipment and who work in community clinics or offices with N95 respirators and procedure masks free of charge.

To have your respirators and masks delivered to you, complete this form and return by fax to AHS Bizworx at 1-780-342-0110 along with a copy of your fit test card.
