## Bulletin for Physicians Pandemic (H1N1) 2009

---

**Date:** October 27, 2009  
**From:** Dr. Gerry Predy, Senior Medical Office of Health, AHS  
Dr. David Megran, Senior Physician Executive, AHS  
**Re:** UPDATE: H1N1 Vaccination of Health Care Workers Including Physicians

---

Alberta Health Services (AHS) is committed to ensuring that Health Care Workers (HCW) in Alberta are appropriately protected against Pandemic (H1N1) 2009. **For the purposes of “staff” vaccine and early treatment, HCWs includes all physicians and their office staff including those in the community.**

The most up-to-date schedule of staff immunization clinics across the province is available online at the link below and scrolling down the page to the section labeled Zone Vaccination Schedules:

**[www.albertahealthservices.ca/660.asp](http://www.albertahealthservices.ca/660.asp)**

Physicians and their office staff are encouraged to attend the staff clinic most convenient for them.
