

Partnership for Research and Innovation in the Health System (PRIHS)

Research Grant Update 2015/2016

The Partnership for Research and Innovation in the Health System (PRIHS) research grant opportunity is a partnership between Alberta Innovates – Health Solutions (AIHS) and Alberta Health Services (AHS) aimed at improving health outcomes for patients across Alberta.

The 2015/16 PRIHS competition Letter of Intent (LOI) stage results have been announced. The Seniors Health SCN is supporting 5 of the 8 successful LOIs. Congratulations to the successful applicants, who will now work towards the submission of their full applications, due March 31, 2016.
