

Event platforms to change health care

Alberta Health Services Quality & Safety Summit

October 31, 2017

Our Vision:

Define the future of health care

Our Focus:

Improving patient safety and quality of care by targeting areas to improve and innovate in our health system

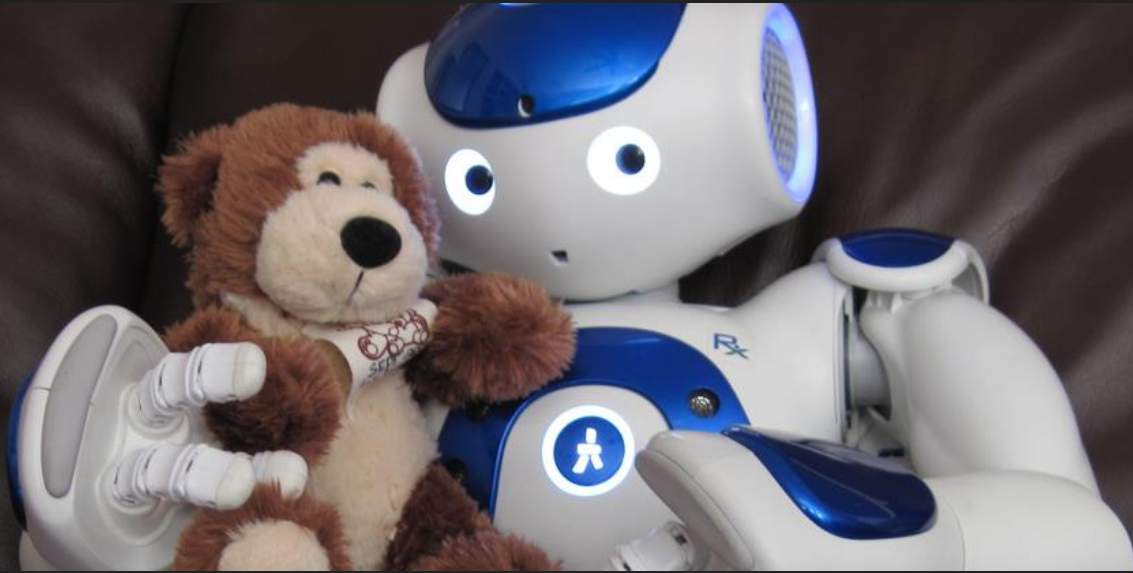

UNIVERSITY OF CALGARY
O'Brien Institute for Public Health

Good Idea

Shell design/concept
using 3D printing

DESIGN

LifeVest

helping
babies
breathe

TESTING

Testing efficacy

SIMULATION

Why have events like these?

- Understand global innovation landscape and apply locally
- Allow entrepreneurs access to a international market at an early stage
- Showcase innovation ecosystem in the province
- Engage innovators from within
- Reward success

Making Care Better
