

ORDER OF AN EXECUTIVE OFFICER NOTICE OF CLOSURE

To: Mackenzie Page Danyluk
"the Owner"

RE: The personal services facility located in Edmonton, Alberta and municipally described as:

Mackenzie Page Danyluk
306 – 9947 Saskatchewan Drive NW, Edmonton, AB

WHEREAS I, an **Executive Officer** of **Alberta Health Services**, have inspected the above noted premises pursuant to the provisions of the Public Health Act, RSA 2000, c. P-37, as amended;

AND WHEREAS such inspection disclosed that the following conditions exist in and about the above noted premises which are or may become injurious or dangerous to the public health or which might hinder in any manner the prevention or suppression of disease, namely:

- a. Written procedures for personal services workers to follow, including skin cleansing, antiseptic use, and post-service care were not established.
- b. Hand hygiene sink located in the washroom was not supplied with single use towels, paper towels.
- c. Client records for tattooing, including sterility assurance documentation of pre-sterilized tattoo equipment was not being retained and available for review for a period of two years.
- d. The personal service facility was located in the dining area beside the kitchen and was not maintained in a clean and sanitary condition as garbage receptacles were overflowing, floor in the client service area was stained with ink, and cat hair was observed on client contact and work surfaces in the client service area.
- e. Client contact surfaces such as the tattoo bed were in disrepair and therefore uncleanable.

AND WHEREAS such inspection disclosed that the following breaches of the Public Health Act and the Personal Services Regulation, Alberta Regulation 1/2020 and the Personal Services Standards there under exist in and about the above noted premises, namely:

- a. Written procedures for personal services workers to follow, including skin cleansing, antiseptic use, and post-service care were not established. This is in contravention of Section 1.5 (1.5.1), (1.5.2) and (1.5.3) of the Personal Services Standards which states "The operator must ensure that facility-specific written procedures are established that describe steps for: (1.5.1) when applicable, the cleansing of skin and mucous membrane and the application of antiseptic products; (1.5.2) post-service care for personal services that involve puncturing skin or mucous membrane; and (1.5.3) client care in the event of an accidental skin cut or puncture."
- b. Hand hygiene sink located in the washroom was not supplied with single use towels, paper towels. This is in contravention of Section 2.11 of the Personal Services Standards which

- states “sinks used for hand washing must be equipped with soap, warm running water, and a sanitary option for drying hands.”
- c. Client records for tattooing, including sterility assurance documentation of pre-sterilized tattoo equipment was not being retained and available for review for a period of two years. This is in contravention of Section 3.62, 3.63, and 3.65 of the Personal Services Standards which states “(3.62) Client records for personal services that use critical equipment must be maintained and kept accessible for review for a period of two years; (3.63) client records must include: full client name; contact information of client; date(s) of personal service; description of personal service; and name of personal services worker who provided the personal service; and (3.65) sterility assurance documentation from all critical equipment purchased as sterile that is used in a personal service must be kept with that client’s records.”
 - d. The personal service facility was located in the dining area beside the kitchen and was not maintained in a clean and sanitary condition as garbage receptacles were overflowing, floor in the client service area was stained with ink, and cat hair was observed on client contact and work surfaces in the client service area. This is in contravention of Section (5.2), (5.3), and (5.4) of the Personal Services Standards which states “(5.2) The facility must be maintained a visibly clean state; (5.3) cleaning, and when necessary disinfection, must be conducted as set out in Appendix 1; (5.4) In addition to frequencies set out in Appendix 1, prior to providing any personal service, the personal service worker must ensure that the immediate area where the client service is to be provided is visibly clean.”
 - e. Client contact surfaces such as the tattoo bed were in disrepair and therefore uncleanable. This is in contravention of Section 5(1) and 5(2) of the Personal Services Regulation (AR 1/2020) which states “A personal service facility must 5(a) be maintained in good repair; 5(b) be maintained in a clean and sanitary condition; 5(i) have adequate storage space for equipment and supplies; 5(2) all work surfaces located in areas of a personal service facility in which a personal service is provided or reusable equipment used in connection with the provision of personal services is reprocessed must be smooth, non-porous and easily cleanable.”

AND WHEREAS, by virtue of the foregoing, the above noted premises are hereby declared to be **Closed**.

NOW THEREFORE, I hereby **ORDER** and **DIRECT**:

1. That the Owner immediately close the above noted premises.
2. That the Owner immediately undertake and diligently pursue the completion of the following work in and about the above noted premises, namely:
 - a. Cease all tattoo services at 306 – 9947 Saskatchewan Drive NW, Edmonton, AB T6E 4R3. The owner must notify an Executive Office from Alberta Health Services Environmental Public Health when and where services may be established, for inspection and rescind of this Notice of Closure order.
3. That until such time as the work referred to above is completed to the satisfaction of an Executive Officer of Alberta Health Services; the above noted premises shall remain closed.

The above conditions were noted at the time of inspection and may not necessarily reflect all deficiencies. You are advised that further work may be required to ensure full compliance with the Public Health Act and regulations, or to prevent a public health nuisance.
