

Interprofessional Practice presents

Practice Wise

The opportunity to learn & share practices among clinicians

Thursdays from 1200-1300

Clinicians, leaders, regulators, researchers, and educators will discuss clinically relevant experiences and information, with opportunity for Q and A, and reference materials to support your practice.

Date/Media	Topic
September 1 Teleconference/Webinar	Collaborative Practice
September 8 Teleconference/Webinar	Role of the Registered Psychiatric Nurse
September 15 Teleconference/Webinar	Non-Invasive Ventilation in the Rural Acute Care setting
September 22 Teleconference/Webinar	Keys to Decision Making
September 29 Teleconference/Webinar	Consent Policy

If you have questions or suggestions for upcoming topics, contact Interprofessional Practice at Practice.Consultation@albertahealthservices.ca
