

## Welcome from our Zone Clinical Department Head Dr. Ted Braun

Welcome to the Department of Family Medicine, Alberta Health Services—Calgary. We are pleased to have you join our community of family physicians and midwives providing family medicine care to the citizens of Calgary in the community.

As a department we seek to serve, support and strengthen family physicians in delivering care across all age groups and locations of service. I hope you will take the time to familiarize yourself with and take advantage of some of these services. Feel free to contact us at any time with your practice needs.

In addition, I would like to take this opportunity to introduce you to the concept of [Office + Plus](#) -- your practice, your way. Opportunities to expand your work into areas of special interest, including Hospitalist work, obstetrical activities, teaching and leadership opportunities and long term care can enhance your enjoyment of your practice. We have included information about some of these opportunities.

Welcome aboard! We look forward to serving you in the coming years.

### Mission

Serve, Support, Strengthen the Community of Family Medicine

### Vision

A Vibrant Community of Family Physicians and Midwives  
Committed to Excellence in Health
