COMMUNITY LIVING EXPANSION

All hospital beds will continue to be staffed while Alberta Health Services engages in further discussions with the providers identified below regarding the details of bringing on new supportive living capacity over the next year.

It is anticipated the initial phase of this new capacity will be available early this fall.

Agreements with facilities in both Edmonton and Calgary are already in place or are being negotiated. With completed agreements, and those subject to negotiations and finalization, these providers can quickly add new community living capacity.

In Calgary:

- Triple A Living Communities
- AgeCare Health Services
- Chartwell Master Care LP
- Encharis Management and Support Services
- Carewest
- Mosquito Creek Foundation

In Edmonton:

- Devonshire Manor
- Lifestyle Options
- Bedford Manor
- Citadel Village
- Place Beausejour
- Glastonbury Mews
- Shepherds Garden
- SCH Excel Society
- SCH Safe Haven Seara Home
