PART 1 – GENERAL PROVISIONS

1.0 PREAMBLE

1.0.1 The Alberta Health Services (AHS) Midwifery Staff Rules (the Rules) are prepared in accordance with section 1.5.1 of the AHS Midwifery Staff Bylaws (the Bylaws), as adopted and approved.

1.0.2 The Rules provide the means to implement and give effect to the Bylaws, and govern the day to day management of Midwifery Staff affairs, and nothing in them shall alter the intent and purpose of the Bylaws.

1.0.3 The Rules shall also govern the conduct of the Midwifery Staff as it relates to Zones, Sites of Clinical Activity, Programs and Professional Services operated by AHS.

1.0.4 Additional details and procedures for operations may be described in the policies of the Midwifery Clinical Department, and the terms of reference of committees that it may establish. If there is a conflict between any provisions of these Rules and the rules or policies of the Midwifery Clinical Department, or a related committee, the provisions of these Rules shall prevail.

1.0.5 AHS is committed to involving the Midwifery Staff in the creation and revision of Policies which are applicable to the Midwifery Staff.

1.0.6 Midwives are responsible to review and remain informed regarding new or revised Bylaws, Rules and Policies which are applicable to, or of importance to, the Midwifery Staff. Notification of new and revised Bylaws, Rules and Policies is the responsibility of the portfolio of the Senior Vice President and its Midwifery Administrative Office through the Midwifery Administrative Office web-site and e-mail/fax notifications.

1.0.7 Each Midwife with an Appointment shall comply with the Policies identified in Appendix C of these Rules and the Policies communicated in writing to Midwives from time to time.

1.0.8 Midwifery Staff with questions or comments regarding the Bylaws, Rules and/or Policies may bring them to the attention of the Midwifery Director.

1.1 DEFINITIONS

1.1.1 Unless otherwise provided herein, all defined terms have the same meaning as that ascribed to them in the Definitions section of the Bylaws. Definitions as found in the Bylaws are attached as Appendix A and are subject to any amendments to the Bylaws. They are provided solely for the convenience of the reader.

1.1.3 Where the contents so require, words importing the singular number shall include the plural and vice versa, and words importing persons shall include corporations and vice versa.
PART 2 – MIDWIFERY ORGANIZATIONAL STRUCTURE OF AHS

2.0 ORGANIZATIONAL STRUCTURE

2.0.1 The Organizational Structure of the Midwifery Staff includes, but is not limited to:

   a) Administrative leadership positions: Senior Vice President and Midwifery Director (the roles and responsibilities for these positions are described in the Bylaws);

   b) The Provincial and Zone committees: The Provincial Midwifery Executive Committee and its subcommittees including the Bylaws and Rules Review Committee, Hearing Committees, the Immediate Action Review Committee; the subcommittees including the Midwifery Zone Application Review Committee; and

   c) Zone Midwifery Clinical Departments (described in the Bylaws).

2.0.2 These groups shall be subject to the collective responsibilities identified in the Bylaws and these Rules, and the appointed leaders of these groups will be responsible for ensuring that these responsibilities are carried out.

2.0.3 The appointment and accountability, responsibilities and duties of the Senior Vice President and Midwifery Director are found in Part 2 of the Bylaws.

2.0.4 The purpose of the Provincial Midwifery Executive Committee is found in Part 2 of the Bylaws.

2.0.5 The creation, modification, and dissolution of Zone Midwifery Clinical Departments are found in Appendix B of these Rules.

2.1 MIDWIFERY ADMINISTRATIVE LEADERSHIP POSITION

2.1.1 GENERAL PROVISIONS – SEARCH COMMITTEE

   Unless otherwise specified in the vacancy posting, a Search Committee shall be constituted according to the following principles:

   a) A Search Committee for the position of Midwifery Director shall be established by the Senior Vice President or designate;

   b) Search Committees shall consist of a minimum of three persons with representation dependent on the position being filled;

   c) Representation shall, at a minimum, include one member of the Midwifery Staff drawn from a pool of three Midwifery Staff nominated by the Midwifery Staff Association and selected by the Senior Vice President or designate; one member from the portfolio of the Senior Vice
President; and one individual from the relevant AHS operational portfolio identified by the Senior Vice President or designate; and

d) Search Committees shall make recommendations to the Senior Vice President. The Senior Vice President shall not be bound by the Search Committee’s recommendations.

2.1.2 GENERAL PROVISIONS – TERM OF APPOINTMENT

Unless otherwise specified in the vacancy posting, the term of appointment for Midwifery Director shall be up to five years, renewable once.

2.2 PROVINCIAL AND ZONE COMMITTEES

2.2.1 GENERAL PROVISIONS

2.2.1.1 TERMS OF REFERENCE

Each provincial and Zone committee shall develop such terms of reference as required for its effective functioning, consistent with the provisions of the Bylaws and these Rules. Terms of reference shall include but are not limited to: purpose, composition including alternative members if any, duties and responsibilities, decision-making processes, and reporting and notification requirements.

2.2.1.2 MEETING FREQUENCY

Except as otherwise specified, the committee shall meet at least quarterly and more frequently at the call of the chair, unless otherwise set forth in the Bylaws or these Rules.

2.2.1.3 COMMITTEE MEMBERS

a) To assure responsible deliberation and decision making, a broad provincial and system-wide perspective is required of committee members regardless of their individual practice type and geographic location;

b) Unless otherwise specified, committee members shall be appointed for a term of two years, and shall serve until the end of this period or until the member’s successor is appointed, unless the member resigns or is removed from the committee;

c) All committee members shall:

i. display ethical and business-like conduct;

ii. avoid and declare conflicts of interest, and maintain the confidentiality of the committee’s business necessary for its effective functioning;
participate constructively in committee activities and treat, as paramount, the efforts of the committee to fulfill its mandate and achieve its objectives;

iv. treat other committee members and AHS staff with respect;

v. demonstrate a willingness to address all matters openly and transparently;

vi. be accountable to their committee;

vii. exercise the powers and discharge the duties of their office honestly, in good faith, and in the best interests of the committee;

viii. exercise the degree of care, diligence and skill that a reasonably prudent person would in comparable circumstances;

ix. attend meetings on a regular and punctual basis;

x. be familiar with the committee terms of reference, relevant Policies, and the AHS organizational structure, as well as the rules of procedure and proper conduct of a meeting; and

xi. actively discourage inappropriate conduct by other committee members.

d) The Senior Vice President or designate(s) shall, unless otherwise specified, be an ex-officio, non-voting member of all provincial committees specified in the Bylaws and these Rules.

2.2.1.4 REMOVAL

If a member of a committee ceases to be a member of the Midwifery Staff, fails to discharge her responsibilities as a committee member pursuant to section 2.2.1.3 c) of these Rules, or if other reasonable grounds exist, that member may be removed by the Senior Vice President or designate.

2.2.1.5 VACANCIES

a) Unless otherwise specifically provided, vacancies of a member on any committee shall be filled in the same manner in which an original appointment to the committee is made until the completion of that member’s term;

b) In an exceptional circumstance, the Senior Vice President or designate may appoint an interim replacement member to fulfill a member’s committee term until the vacancy can be filled in the same manner in which an original appointment to such committee was made.

2.2.1.6 COMMITTEE CHAIR

a) Provincial level committees - Except as otherwise specified in the Bylaws or these Rules, the Senior Vice President or designate, in conjunction with committee members, shall jointly confer and select the committee chair. The committee chair shall be selected from amongst the members of the committee. A vice chair may be appointed by the
committee, and if so, the vice chair shall be appointed from amongst the voting committee members.

b) Zone level committees – Except as otherwise specified in the Bylaws or these Rules, the Midwifery Director or designate, in conjunction with committee members, shall jointly confer and select the committee chair. The committee chair shall be selected from amongst the members of the committee. A vice chair may be appointed by the committee, and if so, the vice chair shall be appointed from amongst the voting committee members.

### 2.2.1.7 QUORUM AND MANNER OF ACTION

a) Except as otherwise specified in the Bylaws or these Rules, the quorum for a committee shall be fifty one percent majority of the members entitled to be present and vote.

b) Except as otherwise specified in the Bylaws or these Rules, the actions of a majority of the members present and voting at a meeting at which a quorum is present shall be the action of the committee. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of members, provided any action taken is approved by at least a majority of the required quorum for such meeting, or such greater number as may be specifically required by the Bylaws.

c) Except where otherwise provided for in the Bylaws and these Rules, committee meetings may be conducted in-person, by teleconference or videoconference. Committee actions arising from a meeting, such as a recorded vote, may be conducted in-person, by e-mail or other electronic means, teleconference or videoconference.

### 2.2.1.8 MINUTES

Minutes of meetings shall be prepared and retained. They shall include, at a minimum, a record of the attendance of members and the vote taken/agreement on matters (where recording is required). A copy of the minutes shall be signed by the committee chair of the meeting and forwarded to the Midwifery Administrative Office.

### 2.2.1.9 CONDUCT OF MEETINGS

Unless otherwise specified by the committee, meetings shall be guided by Robert’s Rules of Order (Newly Revised, Tenth Edition).

The following may attend all meetings of the Provincial Midwifery Executive Committee but may not vote:

a) the CEO of AHS; and

b) two representatives, or designates appointed by the Senior Vice President or designate.

2.3.3 DUTIES AND RESPONSIBILITIES

a) The Provincial Midwifery Executive Committee shall consider, advise and report to: 1) AHS and the Senior Vice President on all matters at a provincial level and 2) the Midwifery Director on all matters at a Zone level pertinent to Patient care and to the
Midwifery Staff, and on all items referred to it. These matters include but are not limited to:

i. quality and safe Patient care
ii. interdisciplinary Patient care and teamwork
iii. AHS service planning and delivery
iv. Midwifery workforce planning
v. Midwife satisfaction
vi. all other responsibilities and duties assigned to it by the Bylaws and these Rules

b) The Provincial Midwifery Executive Committee shall oversee:

i. the overall functioning of administrative committees
ii. the overall functioning of the Bylaws and these Rules

2.3.4 SUBCOMMITTEES

The Provincial Midwifery Executive Committee may, from time to time, establish any subcommittees or ad hoc subcommittees for specific assignments it determines are necessary to assist in fulfilling its duties and responsibilities.

The terms of reference of any subcommittee or ad hoc subcommittee will be specified at the time of creation and amended as required.

2.3.5 STANDING SUBCOMMITTEES

These shall be as follows, or as amended from time to time by the Provincial Midwifery Executive Committee, pursuant to section 2.3.4 of these Rules:

a) Midwifery Workforce Planning Committee
b) Midwifery Zone Application Review Committee

2.4 BYLAWS AND RULES REVIEW COMMITTEE

2.4.1 ESTABLISHMENT

The Bylaws and Rules Review Committee is established pursuant to sections 1.5 and 1.6 of the Bylaws.

2.4.2 COMPOSITION

The Bylaws and Rules Review Committee shall be composed of the following voting members:

a) one representative appointed by the Senior Vice President or designate, who shall act as chair;

b) three Members from the Midwifery Staff, nominated from the Midwifery Staff Association and selected by the Senior Vice President or designate; and
c) three representatives as appointed by the Senior Vice President or designate.

The following exclusion criteria apply to the Midwifery Staff representatives:

i. Member of council of the College of Midwives of Alberta
ii. Alberta Association of Midwives Board member
iii. Midwife with a contracted AHS administrative/leadership position

2.4.3 DUTIES AND RESPONSIBILITIES

a) The Bylaws and Rules Review Committee shall fulfill the duties tasked to it pursuant to sections 1.5 and 1.6 of the Bylaws.

b) Without limiting the foregoing, the Bylaws and Rules Review Committee shall review and study in any manner it deems appropriate proposed amendments to the Bylaws and these Rules recommended by itself and the parties specified in sections 1.5 and 1.6 of the Bylaws, shall confer with the College of Midwives of Alberta and other parties as appropriate, and make such recommendations as it deems necessary.

c) Pursuant to section 1.6.4 of the Bylaws, amendments to the Bylaws put forth to the Midwifery Staff for consideration shall be posted on the Midwifery Administrative Office web site and notice of the amendment communicated to all Midwifery Staff by e-mail/fax at least sixty days before being voted upon by ballot conducted through the Midwifery Administrative Office.

2.5 HEARING COMMITTEES, IMMEDIATE ACTION REVIEW COMMITTEE & MEMBERSHIP SELECTION PROCESS

2.5.1 An Immediate Action Review Committee shall be established pursuant to section 6.7 of the Bylaws.

2.5.2 The Senior Vice President or designate shall select an ad hoc four-person, Immediate Action Review Committee, which shall consist of three members of the Midwifery Staff selected by the Senior Vice President or designate which are drawn from a pool of five Midwifery Staff nominated by the Midwifery Staff Association; and one representative appointed by the Senior Vice President or designate. The Senior Vice President or designate shall select a chair from amongst the members of the committee.

2.5.3 The criteria for selection of the Immediate Action Review Committee shall include but are not limited to: geographical representation from within AHS; not currently serving in an AHS or other Midwifery advocacy organization leadership position; possessing an interest in/experience with disciplinary processes/hearing committees; having a reputation for fairness; and extensive clinical experience.

2.5.4 The term of the Immediate Action Review Committee members shall expire upon completion of its activities.
2.5.5 A Hearing Committee shall be established as required pursuant to sections 6.5 and 6.6 of the Bylaws and consist of five members including a chair selected by the Senior Vice President or designate.

2.5.6 The Midwifery Administrative Office shall be responsible for the orientation, training and remuneration of the Hearing Committee members. The payment of honoraria and expenses to members assigned to a specific Hearing Committee shall be in accordance with relevant Policies.

2.5.7 The Senior Vice President or designate shall be responsible for selecting a five-person Hearing Committee, which shall consist of three members of the Midwifery Staff selected by the Senior Vice President or designate which are drawn from a pool of five Midwifery Staff nominated by the Midwifery Staff Association; and two representatives appointed by the Senior Vice President or designate for each specific Hearing Committee established pursuant to sections 6.5 and 6.6 of the Bylaws. The Senior Vice President or designate shall select a chair from amongst the members of the Hearing Committee.

2.5.8 The Senior Vice President or designate shall also be responsible for considering any objection to the composition of a Hearing Committee established pursuant to section 2.5.7 above provided by an Affected Midwife. Prior knowledge of the subject matter of the Hearing does not automatically disqualify a designate from being a member of the Hearing Committee. Should the Senior Vice President or designate determine that the objection of the Affected Midwife is with merit, she shall designate a replacement member for that Hearing Committee.

2.5.9 The quorum for each Hearing Committee shall be three members including the chair.

2.6 HEARING COMMITTEE

2.6.1 ESTABLISHMENT

A Hearing Committee is established pursuant to sections 6.5 and 6.7.9 of the Bylaws.

2.6.2 COMPOSITION

A Hearing Committee shall be composed of five voting members including a chair, all of whom are selected following the Hearing Committee selection process pursuant to section 2.5 of these Rules.

2.6.3 DUTIES AND RESPONSIBILITIES

The purpose of the Hearing Committee is to consider a Concern referred to it in respect to an Affected Midwife by receiving information and hearing evidence, and shall make recommendations pursuant to section 6.5 of the Bylaws. A Hearing Committee shall fulfill its duties in a fair and impartial manner.
2.6.4 CONDUCT OF MEETINGS
   a) Meetings of the Hearing Committee may be held in person, by videoconference or teleconference provided that Hearings shall require the personal attendance of members.
   
   b) Meetings of the Hearing Committee shall be held in a location of its choice.
   
   c) A Hearing Committee shall determine such procedures it deems appropriate and in its sole discretion provided that such procedures do not conflict with and are not inconsistent with section 6.5 of the Bylaws.

2.7 IMMEDIATE ACTION REVIEW COMMITTEE

2.7.1 ESTABLISHMENT
   The Immediate Action Review Committee is established pursuant to section 6.7 of the Bylaws.

2.7.2 COMPOSITION
   The Immediate Action Review Committee shall be composed of four members pursuant to section 2.5.2 of these Rules.

2.7.3 DUTIES AND RESPONSIBILITIES
   The purpose of the Immediate Action Review Committee is to receive and consider all relevant information and evidence that led to the Immediate Action including any written submission from the Affected Midwife, and prepare a report and recommendation regarding the disposition of the Immediate Action in respect to an Affected Midwife pursuant to section 6.7 of the Bylaws.

2.7.4 CONDUCT OF MEETINGS
   a) The Immediate Action Review Committee shall fulfill the duties tasked to it pursuant to section 6.7 of the Bylaws.
   
   b) Meetings of the Immediate Action Review Committee may be held in person, electronically, by videoconference or teleconference, and may be held in a location designated by the Immediate Action Review Committee in its sole discretion.
   
   c) The Immediate Action Review Committee shall determine such procedures it deems appropriate and in its sole discretion provided that such procedures do not conflict with and are not inconsistent with section 6.7 of the Bylaws.
2.8 MIDWIFERY ZONE APPLICATION REVIEW COMMITTEE

2.8.1 ESTABLISHMENT

The Midwifery Zone Application Review Committee is established pursuant to section 2.6 of the Bylaws.

2.8.2 COMPOSITION

The Midwifery Zone Application Review Committee shall be composed of the following persons:

a) Midwifery Director;

b) two members of the Midwifery Staff selected by the Senior Vice President or designate from a pool of four Midwifery Staff, nominated by the Midwifery Staff Association; and

c) two representatives appointed by the Senior Vice President or designate.

2.8.3 DUTIES AND RESPONSIBILITIES

The purpose of the Midwifery Zone Application Review Committee is to review all initial Applications to the Midwifery Staff and prepare a written recommendation (to accept, deny, or amend the application); and to review all Requests for Change to a Midwifery Staff Appointment and Clinical Privileges and prepare a written recommendation (to accept, deny, or amend the Request for Change).

2.8.4 CONDUCT OF MEETINGS

a) The Midwifery Zone Application Review Committee shall fulfill the duties tasked to it pursuant to sections 3.4, 3.5 and 3.6 of the Bylaws;

b) Meetings of the Midwifery Zone Application Review Committee may be held in person, electronically, by videoconference or teleconference; and

c) The Midwifery Zone Application Review Committee shall determine such procedures it deems appropriate and in its sole discretion provided that such procedures do not conflict with and are not inconsistent with sections 3.4, 3.5 and 3.6 of the Bylaws.
PART 3 - RULES APPLICABLE TO ALL MIDWIVES

3.0  PREAMBLE

Part 3 of these Rules are applicable to all Midwives and complement the provision of Part 3 of the Midwifery Staff Bylaws.

3.1  MIDWIFERY WORKFORCE PLAN AND RECRUITMENT

3.1.1  AHS MIDWIFERY WORKFORCE PLAN

a) AHS shall have a Midwifery Workforce Plan which shall provide information and projections with respect to the recruitment and retention of a sufficient number of Midwives with the required skill sets and in the required communities and Sites of Clinical Activity.

b) The Midwifery Workforce Plan shall be updated annually according to the sequence of steps outlined in sections 3.1.1 d) to 3.1.1 f) of these Rules.

c) The Provincial Midwifery Executive Committee shall determine the overarching principles to be used to develop Midwifery Workforce Plans. These principles shall include, but are not limited to, Patient access, the distribution of the Midwife workforce, available resources, service delivery changes within AHS, and Midwife input.

d) The Provincial Midwifery Executive Committee shall establish a Midwifery Workforce Planning Committee with the membership appointed by the Senior Vice President or designate.

e) The Midwifery Workforce Planning Committee shall submit its Midwifery Workforce Plan to the Provincial Midwifery Executive Committee for endorsement with final approval by the Senior Vice President or designate.

f) Positions within the Midwifery Workforce Plan are categorized as either new or replacement positions and resource-neutral or resource-requiring.

3.1.2  RECRUITMENT

a) With the exception of the Locum Tenens Staff categories (who are exempted from the requirements of this provision), the following process shall be used to coordinate Midwife recruitment according to the approved Midwifery Workforce Plan:

i. Proposed positions for recruitment will be categorized by the Midwifery Director as being either new or replacement positions, and as being resource-neutral or resource-requiring.
ii. For each proposed position, an Impact Analysis that identifies the required resources, operational impact, and the impact on other Zone Midwifery Clinical Departments shall be completed by the Midwifery Director; the relevant Site of Clinical Activity medical lead (or where in existence the site medical lead for maternity services); and the relevant program administrator or Facility Administrator(s).

iii. Approval of all proposed positions shall be linked to the AHS budget process and to the availability of required resources and funding in the fiscal year in which the position is expected to be filled and active.

iv. Based upon the defined priorities and available resources, the Senior Vice President or designate approves proposed positions for inclusion in the Midwifery Workforce Plan.

v. Only after approval shall recruitment to positions be initiated by the Midwifery Director.

b) The solicitation of potential recruits may occur through the Midwifery Clinical Department, with the assistance of the Midwifery Administrative Office if required, and/or through the assistance of provincial supports external to AHS.

c) All potential recruits shall be interviewed by the Midwifery Director or designate(s) and such other persons as the Senior Vice President or designate determines are appropriate for the applicants being considered. The interview shall be organized by the Midwifery Administrative Office and may be conducted by electronic media.

d) The Midwifery Administrative Office will only provide Midwifery Staff Application forms to the candidate for an approved position.

3.1.3 EXCEPTIONAL CIRCUMSTANCES

Pursuant to section 3.8 of the Bylaws, under exceptional circumstances as determined and approved by the Senior Vice President or designate, the Midwifery Clinical Department may undertake an active recruitment without completing the steps outlined in section 3.1.2 of these Rules.

3.2 ACCOUNTABILITY TO MIDWIFERY DIRECTOR

Each Midwife is accountable to the Midwifery Director in the first instance for the responsibilities and obligations contained in the Bylaws and these Rules.

3.3 MIDWIFERY STAFF APPOINTMENT AND CLINICAL PRIVILEGES

3.3.1 CRITERIA FOR APPOINTMENT TO THE MIDWIFERY STAFF

a) Generally a Midwifery Staff Appointment is conditional upon:
i. the verification, to the satisfaction of AHS, of the applicant’s training, experience and qualifications;

ii. an assessment of the applicant’s suitability, ability and willingness to accept and discharge her responsibilities as a condition to join the Midwifery Staff; and

iii. a determination by AHS that the Appointment is warranted within the Midwifery Workforce Plan and supportable after completion of an Impact Analysis.

b) Each applicant must:

i. be registered to practice Midwifery in the province of Alberta;

ii. possess suitable malpractice insurance to the satisfaction of AHS;

iii. possess appropriate educational qualifications as identified by the Provincial Midwifery Executive Committee;

iv. be willing to participate in teaching and training of Midwifery Students as reasonably required and supported by AHS; and

v. be willing to perform administrative committee functions as reasonably required and supported by the Zone Midwifery Clinical Department(s) and Zone(s).

The activities outlined in 3.3.1 b) iv. and v. above shall not place undue burden on any individual Midwife and will be based upon mutually agreed upon levels of participation.

c) Consideration of each applicant shall also be based on her:

i. clinical experience, competence, ability and character;

ii. ability to interact professionally and appropriately with her peers;

iii. demonstrated judgment and ethical conduct; and

iv. demonstrated professional competence.

3.3.2 APPLICATION PROCESS FOR A MIDWIFERY STAFF APPOINTMENT AND GRANT OF CLINICAL PRIVILEGES

a) All individuals involved in the granting of Appointments and Clinical Privileges shall act and make the necessary recommendations with due dispatch.

b) All applications shall be made on the Midwifery Staff Appointment and Clinical Privileges Application form (the Application).

c) On request for an Application to the Midwifery Staff, the Midwifery Administrative Office shall first determine whether the prospective applicant has been selected for recruitment pursuant to the Midwifery Workforce Plan, or is applying in the Locum Tenens category. Only if the prospective applicant has been selected to an approved recruitment position, or is applying to the Locum Tenens category, shall the prospective applicant be given an Application to complete. Otherwise, the Application shall not be accepted, and the prospective applicant shall be advised that no relevant positions are currently approved and referred to the Midwifery Director for further information or advice.
d) If an Application is provided, the applicant shall indicate:
   i. the Zone(s) in which she wishes an Appointment;
   ii. the category of Midwifery Staff Appointment being sought; and
   iii. the Clinical Privileges (if any) being requested for the Zone(s).

e) This Application shall be accompanied by:
   i. The names of three references who can attest to the character and professional competence of the applicant based on firsthand knowledge obtained within the previous four years. A prospective partner or principal shall not be eligible as a reference. This exclusion shall not apply to the members of the Zone Midwifery Clinical Department in which a Midwife was trained and is now applying.
   ii. A certificate of registration in good standing from the College of Midwives of Alberta;
   iii. An original security check with results that are satisfactory to AHS;
   iv. Proof of suitable malpractice insurance to the satisfaction of AHS; and
   v. A signed waiver and release to permit collection of the information required for Application.

f) An Application will be considered incomplete until such time as all required items specified in sections 3.3.2 d) and e) of these Rules have been received and have been considered to fully and satisfactorily meet the outlined standards of Midwifery Staff membership. Any failure to provide complete information to the satisfaction of the Midwifery Administrative Office will render the Application null and void and no further processing will occur.

g) The Midwifery Director or designate shall include an evaluation of the applicant’s qualifications and an Impact Analysis on a form provided by the Midwifery Administrative Office.

3.3.3 CLINICAL PRIVILEGES

a) A delineation of Sites of Clinical Activity and Programs and Professional Services that the Midwife is eligible to access, and the Procedures that the Midwife is deemed to be competent and eligible to perform, within a Zone(s) will be defined by the Clinical Privileges granted by AHS to that Midwife.

b) If Programs and Professional Services or clinical services and related resources are transferred between Sites of Clinical Activity, AHS may accordingly transfer, and adjust if necessary, the Clinical Privileges of the Midwife(s) affected, provided:
   i. reasonable notice is given to the Midwife affected;
   ii. after due consideration to any representations received in response to such notice; and
   iii. the new Site of Clinical Activity has appropriate resources.
c) The granting of Clinical Privileges shall be based on the needs of AHS; the Midwifery Workforce Plan; the resources available and the Sites of Clinical Activity required for the requested Procedures and access to Programs and Professional Services; the Midwife’s registration, specific training, documented experience in categories of treatment areas or specific Procedures, current competence; and general recommendations drawn from quality assurance and other quality improvement activities and reviews.

d) Within the Clinical Privileges granted, Midwives are expected to practice within the scope of their profession and the limits of their formal training and experience.

e) No recommendation on Clinical Privileges is meant to prevent any registered Midwife from performing any Procedure on any person in an emergency situation where failure to perform that Procedure may result in death or serious injury or harm to the person.

f) List of Procedures for Clinical Privileges – Process for Establishment, Maintenance, and Changes pursuant to section 3.2.5 of the Bylaws.
   
i. The Zone Midwifery Clinical Department shall develop a list of Procedures for Clinical Privileges with input from its members and through a process determined by the Zone Midwifery Clinical Department.
   
ii. This list shall be reviewed by the Zone Midwifery Clinical Department at a minimum of every two years.

iii. The list of Procedures for Clinical Privileges shall include the core Procedures expected of Zone Midwifery Clinical Department members with Canadian clinical placement training, and those which require extra training and supervision beyond that normally expected in a Canadian clinical placement training program; those Procedures which are resource intensive; and those Procedures whose utilization needs to be monitored for quality control and Patient safety reasons.

iv. Each list of Procedures for Clinical Privileges for the Zone Midwifery Clinical Department shall be reviewed by the Provincial Midwifery Executive Committee for consistency with provisions of the Bylaws and between Zone Midwifery Clinical Departments. The Provincial Midwifery Executive Committee may make such changes as it may determine.

g) Process to Add Procedures New to AHS and Requiring a Grant of Clinical Privileges pursuant to section 3.2.5.2 of the Bylaws.
   
i. From time to time, new technologies and procedures will become available. It is the responsibility of Zone Midwifery Clinical Department to develop a list of proposed Procedures new to AHS and requiring a grant of Clinical Privileges. Input is required from its members through a process determined by the Zone Midwifery Clinical Department. Input will also be sought from the applicable AHS health technology assessment and product evaluation portfolios.
ii. This list shall include an assessment of the need for the proposed Procedure, the ability of AHS to support the Procedure, and the proposed credentialing criteria.

iii. The Zone Midwifery Clinical Department shall make a recommendation for introduction of a new Procedure within AHS to the Senior Vice President. Final approval by the Senior Vice President or designate is required.

3.3.4 INFORMATION REQUIRED FOR CONTINUATION ON THE MIDWIFERY STAFF

a) Each Midwife, as a condition of her continuation on the Midwifery Staff, shall submit a properly completed and signed information verification and attestation form to the Midwifery Administrative Office within the specified timeframe.

b) The verification and attestation form shall be provided to all Midwifery Staff within 12 months of their Midwifery Staff Appointment and annually thereafter requesting but not limited to the following information:

   i. any action including past and pending investigations which have been undertaken regarding the Midwife’s professional status or qualifications including but not limited to registration, disciplinary actions/professional sanctions, and the imposition of any monitoring requirement;
   ii. current evidence of suitable malpractice insurance to the satisfaction of AHS;
   iii. current registration from the College of Midwives of Alberta;
   iv. disclosure of any physical or mental health issue as it relates to the performance of the responsibilities specified in the Bylaws and these Rules, and the safe and competent exercise of the Clinical Privileges granted;
   v. any matter in which the Midwife has been named as a defendant in a civil law suit relating to her professional practice or been the subject of any professional liability judgments or judicial orders or involved in any arbitration proceedings;
   vi. any professional liability judgments, orders, or settlements against her and the status of such matters;
   vii. any criminal convictions or outstanding criminal charges with details about any such instances; and
   viii. evidence as to the legal right to live and work in Canada for non-citizens and permanent residents.

3.4 PERFORMANCE ASSESSMENT TO MOVE FROM PROBATIONARY STAFF TO ACTIVE STAFF

a) Pursuant to sections 3.1.7.1 b) and 3.1.7.1 c) of the Bylaws, an Appointment to the Probationary Staff category shall be considered a time during which the Midwife’s competence, capabilities, and contribution shall be evaluated by the Zone Midwifery Clinical Department.

b) After a full evaluation, as outlined in the following performance assessment procedure, the Midwife may be appointed to the Active Staff category.
c) This performance assessment shall include but not be limited to the following:
   i. review of Programs and Professional Services accessed by the Midwife, the
      Procedures performed and performance in the Sites of Clinical Activity to which
      access has been granted;
   ii. information on continuing professional development during appointment to the
      Probationary Staff category;
   iii. clinical performance as judged by clinical audit;
   iv. contribution to and participation in other clinical and administrative
      responsibilities as assigned;
   v. resource utilization patterns;
   vi. ability to work effectively with other staff and in a team environment;
   vii. ability to perform the functions and fulfill the responsibilities of a Midwife; and
   viii. contribution to and participation in teaching programs and activities.

3.5 PERIODIC REVIEW

a) In the context of the Midwife’s Appointment to the Active or Locum Tenens Staff
   category and Clinical Privileges, Periodic Reviews provide the Midwife and the Midwifery
   Director or designate(s) with an opportunity to review the Midwife’s professional
   performance, to determine planned or considered changes to the Midwife’s practice
   including Clinical Privileges, to identify professional development goals, and to exchange
   information regarding the functioning of the Zone Midwifery Clinical Department.

b) Until age 65, a Periodic Review of Midwives in the Active Staff category will occur every
   three years or more frequently as specified in the grant of Clinical Privileges.

c) A Periodic Review of Midwives in the Locum Tenens Staff category shall be undertaken
   at the conclusion of the first year of Appointment and every three years thereafter. After
   each locum placement the requesting Midwife shall complete and submit an assessment
   form to the relevant Midwifery Director who shall ensure that it is placed on the
   Midwife’s file for use during the next Periodic Review. During each Periodic Review for
   members on the Locum Tenens Staff an assessment as to whether they should be moved
   to the Probationary or the Active Staff category shall also occur.

d) At age 65, a Periodic Review of all Midwives with an Appointment will be conducted
   annually.

e) The Midwifery Administrative Office shall by 31 December of each year prepare an
   annual schedule of Periodic Reviews which are required to be performed in the next 12
   months. That monthly schedule shall be provided to the Midwifery Director. The
   Midwifery Director or designate(s) shall provide each Appointed Midwife with sixty days’
   notice of her planned Periodic Review.
f) The Periodic Review shall be initiated by the Midwifery Director or designate and shall be conducted between the Midwife and the Midwifery Director or designate where a Midwife has Clinical Privileges in more than one Zone, the Midwifery Director or designate shall confer with the relevant midwifery administrative leaders of the other Zone(s).

g) The Periodic Review must include all matters relevant to the Active or Locum Tenens Staff category of Appointment and Clinical Privileges granted to the Midwife.

i. The Midwifery Administrative Office in consultation with the Zone Midwifery Clinical Department will develop an information package of items to be provided to the Midwife and to the Midwifery Director or designate at least sixty days prior to the scheduled Periodic Review. This information package shall contain documentation related to section 3.6 h), items i, iii, vi, and vii and section 3.6 i), items i, ii and iv below.

ii. Prior to the Periodic Review, the Midwife and the Midwifery Director or designate shall compile sufficient relevant information to appropriately inform a discussion about section 3.6 h), items ii, iv, and v and section 3.6 i), item iii below.

h) The matters which shall be reviewed during a Periodic Review include, but are not limited to:

i. the terms, conditions and major responsibilities contained in the Midwife’s Midwifery Staff Letter of Offer, and any amendments subsequently made to its terms and conditions;

ii. actions arising from the previous Periodic Review;

iii. the individual Midwife’s responsibilities and accountabilities as described in section 4.2 of the Bylaws;

iv. the fulfillment of, or need for, continuing professional development and maintenance of competence activities consistent with the requirements of the Zone Midwifery Clinical Department and College of Midwives of Alberta;

v. any physical or mental health issues that are affecting the Midwife’s ability to practice;

vi. a discussion of compliance with Policies for completion of health records as defined under Part 4 Health Records of these Rules; and

vii. the provision of service and coverage as defined under Part 4 On-Call of these Rules.

i) The matters which may be reviewed during a Periodic Review include, but are not limited to:

i. a review of objective quality data (non-identifiable as to Patient source) for the Midwife as they relate to past performance and potential future changes to her midwifery practice;
ii. a collated assessment (non-identifiable as to source) of the Midwife by relevant health care teams, other Midwives and Patients with respect to her ability to interact professionally and effectively with peers, AHS administrative leaders and staff, and Patients. Such assessments shall consist of written feedback following a process developed and approved by the Provincial Midwifery Executive Committee;

iii. a discussion of the Midwife’s involvement in the administrative and Midwifery Staff activities of AHS which shall include attendance at meetings and participation in and contribution to the activities of the Zone Midwifery Clinical Department and Site(s) of Clinical Activity; and

iv. a discussion of the utilization of AHS resources and compliance with AHS quality initiatives.

j) Where an assessment of a Midwife by relevant health care teams, other Midwives with Appointments and Patients pursuant to section 3.6 h) ii above occurs, the assessment shall be done utilizing objective, evidence-based methods as developed or adopted by the Provincial Midwifery Executive Committee, and approved by the Senior Vice President or designate.

k) The results of the Periodic Review shall be documented by the Midwifery Director or designate, and a copy provided to the Midwife and included in the Midwife’s file within fourteen days of the completion of the Periodic Review. Except as required by law or permitted by the Bylaws, the written summary of the Periodic Review prepared by the Midwifery Director or designate, together with recommendations, plans and/or Midwife’s comments shall be confidential and shall not be disclosed to any person or entity without the express consent of the Midwife.

### 3.6 ORIENTATION AND ACTIVATION OF CLINICAL PRIVILEGES

a) Each new Midwife with an Appointment shall be oriented to relevant AHS systems and processes and their Sites of Clinical Activity. This is a joint responsibility of each new Midwife, AHS and the Midwifery Director.

b) Activation of Clinical Privileges or access to certain AHS resources requires the successful completion of:

i. IT/IM systems training

ii. Privacy protection training

iii. Occupational Health and Safety assessments

c) This orientation will vary depending on the Midwife’s prior association with and knowledge of AHS and the Site(s) of Clinical Activity and, aside from exceptional circumstances as approved by the Midwifery Director, the activation of Clinical Privileges shall not occur until the completion of the orientation. In general, it should ensure that the Midwife has been:
Alberta Health Services Midwifery Staff Rules

i. given access to a copy of the Bylaws and these Rules of the Midwifery Staff, the AHS Midwifery Staff orientation package, and relevant Policies, and has had an opportunity to review them;

ii. oriented to the reporting relationships pertinent to their Appointment both within and external to their Zone Midwifery Clinical Department;

iii. oriented to the physical plan of the relevant Site(s) of Clinical Activity and the range of Programs and Professional Services offered in the Site(s) of Clinical Activity;

iv. oriented to health records and requirements for recorded care; and,

v. oriented to the ambience, philosophy, and general operating procedures of the relevant Site(s) of Clinical Activity.

d) The orientation will be provided by one or more of:

i. Midwifery Director or designate;

ii. The Facility Administrator(s) or designate(s);

iii. Facility operational staff;

iv. Others as may be required.

e) A checklist will be completed during the orientation and placed in the Midwife’s file, and the Midwifery Director shall be notified by the Midwifery Administrative Office.
PART 4 – AHS PATIENT CARE AND APPOINTED MIDWIFE-RELATED PROVISIONS COMMON TO ALL ZONES

This section of the Rules describes patient care and Appointed Midwife-related provisions which are common to all Zones.

A. PATIENT CARE

4.1 ADMISSION OF PATIENTS

4.1.1 A Patient whose clinical condition warrants admission shall be admitted to an appropriate Site of Clinical Activity by an Appointed Midwife with appropriate Clinical Privileges. Upon requesting or accepting such an admission and care of the Patient, the Midwife shall be designated as the Patient’s Most Responsible Midwife.

4.1.2 All Patients admitted to Sites of Clinical Activity require a provisional diagnosis by the Most Responsible Midwife(s).

4.1.3 A Midwife who wishes to admit a Patient to a Site of Clinical Activity shall book these admissions according to established Site of Clinical Activity admitting procedures.

4.1.4 A Patient requiring admission shall be:

   a) Assigned to the Midwife requesting or accepting the admission and care of the Patient;

   b) Referred prior to admission to another Appointed Midwife who has appropriate Clinical Privileges to admit and care for the Patient (in most instances this should include a personal conversation with the potential receiving Midwife); or

   c) Assigned to the Midwife on-call.

4.1.5 The Most Responsible Midwife shall indicate to the staff caring for the Patient, and in the Patient’s health record, that she is the Most Responsible Midwife.

4.1.6 No Patient shall be admitted to a Midwife without that Midwife’s agreement. If an appropriate Midwife willing and able to accept the admission and care of the Patient cannot be identified by the time of accommodation in the Site of Clinical Activity is available, the Midwifery Director or designate, shall assign a Most Responsible Midwife.

4.1.7 The Most Responsible Midwife and any other Midwife providing care to the Patient shall provide sufficient information to staff as may be necessary to ensure protection of other Patients or Site of Clinical Activity staff, or to ensure protection of the admitted Patient from self-harm.
4.2 ATTENDANCE UPON PATIENTS

4.2.1 Each Patient shall receive timely and professional care appropriate to her condition. The frequency of attendance will be determined having regard to the condition of the Patient, Zone Midwifery Clinical Department requirements, and these Rules.

4.2.2 Each Patient in an acute care Site of Clinical Activity shall be attended at least daily by the Most Responsible Midwife or designate.

4.3 MIDWIFE'S ORDERS

4.3.1 Medication and treatment orders shall be in compliance with applicable Policies.

4.3.2 All orders shall be either written in the Patient’s health record or entered directly into the Patient’s electronic health record (if applicable). If orders are in writing, they shall be written using dark ink, on the appropriate form and shall be legible, complete, dated, timed and signed by the Most Responsible Midwife or designate. A ballpoint or similar pen shall be used where multiple copies are expected.

4.3.3 It shall be the duty of the Most Responsible Midwife to review the orders for their Patients on a regular basis.

4.3.4 Requests for consultations shall be in writing on the appropriate consultation request form or shall be entered directly into the Patient’s electronic health record (if applicable), and shall include the reason for consultation, a brief history, and specific timelines in which the consultation is to be provided (based upon the nature of the Patient’s condition and circumstances). Direct Midwife to Midwife and/or Midwife to Practitioner discussion shall occur in urgent cases, and is preferable in all cases.

4.4 INFORMED PATIENT CONSENT

4.4.1 Midwives shall be governed by the AHS consent Policy, as well as by relevant legislation including, but not limited to, the Adult Guardianship and Trusteeship Act (Alberta), the Personal Directives Act (Alberta), and the Mental Health Act (Alberta).

4.5 LEAVING AGAINST ADVICE

If a competent Patient leaves a Site of Clinical Activity without the prior order or authorization of the Most Responsible Midwife or designate:

a) Written acknowledgment by the Patient and/or her Legal Representative that the Patient is leaving against advice shall be requested when possible, and
b) The Most Responsible Midwife or designate shall make a notation on the Patient’s health record that the Patient has left the Site of Clinical Activity against the Midwife’s advice.

### 4.6 DISCHARGE PLANNING/Bed Management/Bed Utilization

4.6.1 Midwives with Appointments shall work together, and with AHS staff, administrative leaders, midwifery administrative leaders and medical administrative leaders, to ensure that inpatient beds are managed in an effective and efficient manner within, and across, all Sites of Clinical Activity and Zones. Bed utilization and management should ensure that:

a) Patient access to Sites of Clinical Activity in the Zone is granted on the basis of need;

b) Patients are treated in the most appropriate Site of Clinical Activity to meet their particular needs;

c) Standards of Patient care are continually evaluated to improve the quality of Patient care and optimize Patient lengths of stay; and

d) Patients are discharged from Sites of Clinical Activities, including emergency departments and other acute care treatment areas, in an appropriate and timely manner.

4.6.2 Patient discharge planning shall commence at the time of admission to an acute care Site of Clinical Activity. Where possible, for elective admissions or inter-Site of Clinical Activity transfers, discharge plans and arrangements should be made prior to admission. It is the responsibility of the Most Responsible Midwife, and consulting Midwives with Appointments (if appropriate) to anticipate and begin early planning for discharge with AHS staff, including nursing, home care, social services and other relevant health care professionals. Discharge planning must involve the Patient and the Patient’s family and/or the personal or referring Midwife. It also includes timely transmission of sufficient Patient information to facilitate safe and responsible care after discharge.

4.6.3 The Patient shall be discharged only on the order of the Most Responsible Midwife or designate.

4.6.4 Most Responsible Midwives are required to discharge Patients according to Policy set by AHS, the Zone Midwifery Clinical Department and/or the Site of Clinical Activity. Wherever feasible, discharge orders shall be written in advance of the planned day of discharge in order to facilitate the process of discharging a Patient.

4.6.5 The Site of Clinical Activity Medical Director and the Facility Administrator shall be responsible for overseeing the effective utilization of Site of Clinical Activity beds. With Appointed Midwife input, they shall develop mechanisms to:

a) allocate Site of Clinical Activity beds on the basis of need;
b) review health records to assess the appropriateness of admissions as well as the ongoing effectiveness and progress of discharge planning; and
c) oversee the implementation of any recommended changes to current bed utilization Policies or processes.

4.7 LEVELS OF CARE DESIGNATION (INCLUDING “DO NOT RESUSCITATE” ORDERS)

4.7.1 Each Midwife with an Appointment shall be governed by the applicable Policy.

4.7.2 The Most Responsible Midwife will confirm in writing (or electronically if applicable) on the Patient’s record that he/she has discussed with the Patient and/or her Legal Representative her diagnosis, prognosis, and the Patient’s decision with respect to future treatment, including possible levels of care and resuscitation. Prior direction from a Patient and/or her Legal Representative must be suspended immediately upon the subsequent request of the Patient and/or her Legal Representative.

4.7.3 The Most Responsible Midwife will take into account, as appropriate: relevant instructions in a personal directive; instructions of her Legal Representative; and the best interests of the Patient. Communication entered into the Patient’s health record will be used to inform other health care personnel involved in the care of the Patient as to the basis and the rationale of decisions.

4.7.4 An order designating the Patient’s level of care shall be recorded in the Patient’s health record. If the Patient is admitted after hours, a verbal or telephone order will be accepted but the order shall be countersigned by the Most Responsible Midwife within twenty-four hours. In the absence of such an order, Midwives and other health care professionals providing care during an emergency or cardiopulmonary arrest shall assume that the highest level of care designation is in effect.

4.8 PATIENT DEATH

4.8.1 Pronouncement of death must be made in accordance with Policies.

4.8.2 In accordance with Policies, the next of kin is to be notified, the Medical Examiner is to be notified; organ/tissue donation is to be considered; an autopsy is to be requested and performed; and the Zone Medical Officer of Health is to be notified.

4.8.3 The Medical Examiner will be notified in all circumstances required by the Fatality Inquiries Act (Alberta).

4.8.4 The Physician or designate must complete a death certificate within forty-eight hours, unless directed otherwise by the Medical Examiner.
4.9 AUTOPSIES

Autopsies may be requested and performed in cases where the Medical Examiner is not involved. In addition:

a) No autopsies shall be performed without the consent of a legally authorized agent of the deceased.
b) All autopsies shall be performed by a qualified pathologist or his/her designate.
c) As soon as it is available, a copy of the autopsy report will be included in the Patient’s health record.

4.10 ORGAN AND TISSUE PROCUREMENT

4.10.1 Midwives with Appointments will follow all applicable AHS organ and tissue donation Policies.

4.10.2 Where appropriate, it is the responsibility of all Midwives with Appointments to discuss and encourage organ and tissue donation with the Patient and/or her Legal Representative.

B. MIDWIFE-RELATED

4.11 ON-CALL AND SERVICE COVERAGE

4.11.1 Each Midwife shall ensure safe and effective on-call coverage for the Patients for whom they are the Most Responsible Midwife. Pursuant to sections 4.2.7.1 c) and d) of the Bylaws, Midwives, when unavailable for whatever reason, will make arrangements with another Appointed Midwife(s) for the care of their Patients. This may be accomplished by specific arrangements or by participating in an on-call schedule with other Midwives who have similar and appropriate Clinical Privileges at the Site(s) of Clinical Activity.

4.11.2 Responsibilities of an on-call Midwife include but are not limited to:

a) Responding appropriately to calls and requests from other Midwives with Appointments and other health professionals regarding Patients for whom they are responsible while on-call or about whom they have been consulted. Midwives with Appointments shall attend Patients appropriately, in a timely fashion, and in accordance with Zone Midwifery Clinical Department policy. Such calls and requests may originate from within the Site(s) of Clinical Activity, including emergency departments, and externally from Patient referral and transfer call lines, community offices and clinics, or other sources.

b) Discussing with a referring or consulting Midwife with an Appointment the urgency of the consultation and, when possible, offering advice to a referring Midwife with an Appointment in advance of the consulting Midwife attending the Patient. Such discussion may include arranging in-person attendance at an appropriate time and location, and follow-up of cases not requiring emergent assessment.
c) Working collaboratively with a referring Midwife with an Appointment to stabilize the Patient and provide urgent care if applicable and as required, and consistent with the level of resources available.

d) Working collaboratively with a referring Midwife with an Appointment to coordinate the timely admission or appropriate transfer of the Patient as required and in accordance with Zone Midwifery Clinical Department policies. This includes communicating directly with the receiving Midwife with an Appointment.

4.11.3 It is expected that a referring Midwife with an Appointment will limit evening and night-time consultations to urgent or emergent cases. Referrals for non-urgent/non-emergent cases should be arranged during day-time hours. A non-urgent acute care Site of Clinical Activity consultation shall be completed within twenty-four hours of the request, unless otherwise agreed to by the referring and consulting Midwives with Appointments.

4.11.4 Pursuant to section 4.1.3.3 of the Bylaws, Midwives with Appointments and AHS midwifery administrative leaders shall work jointly to ensure that on-call schedules do not place work demands on individual Midwives that prevent the Midwife from providing safe Patient care and service coverage. AHS midwifery administrative leaders shall work collaboratively with Midwives to resolve such situations when they arise.

4.11.5 Pursuant to section 4.2.7.1 b) of the Bylaws, Midwives with Appointments shall manage their other concurrent clinical activities in order to ensure that she can safely and appropriately fulfil her on-call duties and responsibilities.

4.11.6 Midwives with Appointments, initially amongst themselves, and, if required, subsequently with their Midwifery Director(s) or designate(s) and/or Site of Clinical Activity shall work Collaboratively to resolve any issues or disputes related to appropriate on-call coverage and/or on-call schedules. If unsuccessful, the issue or dispute shall be referred to the Senior Vice President or designate for resolution as required.

4.12 SUPERVISION OF STUDENTS

4.12.1 At any given time, each Midwifery Student shall have one or more Midwives with Appointments in the Site of Clinical Activity designated as the supervisor of that trainee’s experience.

4.12.2 In all cases involving supervision of Midwifery Students, the Most Responsible Midwife must maintain sufficient knowledge of the Patient to ensure the Patient is receiving safe and appropriate care, and must remain readily available to assist the Midwifery Student, or intervene if necessary.

4.12.3 When involved in the education of Midwifery Students, Midwives with Appointments shall supervise all Procedures undertaken by Midwifery Students. However, if the Midwifery Student has obtained and demonstrated the necessary skills, and is considered competent, to perform
Procedures independently, the supervising Midwife or designate shall only be required to be available to assist or intervene if necessary.

4.12.4 When involved in the education or supervision of Midwifery Students, Midwives with Appointments must ensure that the Midwifery Students are aware they have the following responsibilities:

a) to explain her role in the Patient's care to the Patient and/or her Legal Representative;
b) to inform the Patient and/or her Legal Representative of her name and that of the Most Responsible Midwife;
c) to notify the supervising Midwife when a Patient's condition is deteriorating, the diagnosis or management is in doubt, or where a Procedure with possible serious adverse effects is planned;
d) to inform the supervising Midwife when discharge is appropriate and planned;
e) to notify the supervising Midwife of all Patients assessed on behalf of the Midwife; and
f) to assess all referrals and consultations in a timely fashion as appropriate to the Patient’s condition.

4.13 DESIGNATION OF MOST RESPONSIBLE MIDWIFE/TRANSFER OF RESPONSIBILITY

4.13.1 Identification of Most Responsible Midwife

a) Every Patient admitted to a Site of Clinical Activity, or who receives emergent, urgent or scheduled evaluation or treatment on an ambulatory or “day Procedure” basis in a Site of Clinical Activity, shall have an identified Most Responsible Midwife. The identity of the Most Responsible Midwife shall be documented in the Patient’s health record at the time of admission and the Patient shall be informed of her name by the Midwife, her designate, or the nursing staff responsible for the Patient’s care. The Most Responsible Midwife has the duty, responsibility and authority to direct all midwifery care for that Patient while in the Site of Clinical Activity, and to make reasonable efforts to ensure continuity of care following discharge.

b) The Most Responsible Midwife will assess her Patient as soon as required by the Patient’s condition but within twenty-four hours of admission in the case of an acute care Facility. The Most Responsible Midwife should notify and consult with the Patient's personal/family Physician and/or other Midwives whom the Patient identifies as providing continuing care.

c) The Most Responsible Midwife may designate any agreeable Midwife(s) with Appointment(s) to provide concurrent care where this will provide benefit to the Patient. However, such designation will not have the effect of transferring ultimate responsibility for the Patient from the Most Responsible Midwife.
4.13.2 Transfer of Responsibility

   a) The designation and responsibilities of the Most Responsible Midwife may be transferred from one Midwife to another provided that the receiving Midwife agrees and has the appropriate Clinical Privileges. The Most Responsible Midwife shall document the transfer, and the receiving Midwife shall document acceptance, in the Patient’s health record.

   b) The Most Responsible Midwife or designate shall ensure the Patient and/or her family, the Patient’s Legal Representative, and other Midwives involved in providing continuing care to the Patient are informed of the transfer.

4.14 MIDWIFERY ETHICS

   Ethical considerations are an integral part of health care at all levels. Midwives with Appointments may seek the advice of the Zone or Site of Clinical Activity clinical ethics committee or team in difficult decisions or relationships that are related to human and Patient rights, health and safety of the Patient or staff and other Midwives, multiculturalism, issues of spirituality, faith and religion or other ethical considerations.

4.15 RESEARCH

   Midwives with Appointments are encouraged to participate in, and/or support, approved research activities within AHS and to consider recommending the participation of their Patients in relevant and approved research activities.

4.16 DISRUPTIVE BEHAVIOUR IN THE HEALTH CARE WORKPLACE

   Midwives with Appointments shall be familiar with the relevant guidelines or policies of the College of Midwives of Alberta with respect to disruptive behaviour. Such documents will be applied as a framework when addressing complaints/allegations of disruptive behaviour by Midwives within the AHS health care workplace.

C. DOCUMENTATION, RECORDS AND RECORD KEEPING

4.17 PERSONAL DIRECTIVES

   a) Each Midwife with an Appointment shall be governed by Policies on personal directives.

   b) When a Patient is admitted to a Site of Clinical Activity, it should be determined if she has a personal directive. If so, the Most Responsible Midwife should discuss the provisions of the personal directive with the Patient and/or her Legal Representative, and ensure that a copy is included in the Patient’s health record. A personal directive
may also include any requests that the Patient may have with regard to organ and tissue donation.

c) Patient health record Information transferred to other Sites of Clinical Activity or health care institutions will include a copy of the Patient’s personal directive.

4.18 HEALTH RECORDS

4.18.1 General Guidelines:

a) All Midwives with Appointments shall complete their health records within the specified period(s) of time using the systems made available for dictation and electronic signature.

b) AHS has a legal obligation to protect health information. The information belongs to the Patient but AHS is the legal custodian of the health record. Original or copies of health records are not to be removed from a Site of Clinical Activity unless authorization is received from AHS Health Information Management, or unless in compliance with a legally valid Subpoena Duces Tecum or a legally valid search warrant.

c) Community-based health records may travel with the Patient, family members (authorized in writing by the Patient) and/or the Patient’s Legal Representative during the provision of care in compliance with formally documented processes and relevant legislation.

d) Confidentiality of Patient medical information is paramount. Midwives with Appointments must respect and adhere to relevant Policies governing privacy and access to health records.

4.18.2 Documentation Standards

4.18.2.1 General Characteristics

A health record shall be maintained for each Patient who is evaluated or treated, or who receives emergency, inpatient or ambulatory care within any Site of Clinical Activity. All significant clinical information pertaining to a Patient shall be incorporated in the Patient’s health record.

4.18.2.2 General Standards

a) All Midwives with Appointments making entries into a Patient’s health record shall include documentation of the date and time of the entry, her role/title and, in the case of written entries, an identifiable signature, preferably accompanied by her printed name. Where available, the use of the electronic signature is mandatory (i.e. some dictation/transcription systems or electronic health records). A handwritten, original signature is required in all other circumstances (with the exception of existing delegated authentication processes).
4.18.2.3 Admission (History and Physical) Note

a) The Most Responsible Midwife is responsible for an admission note documenting the history, pertinent physical examination and plan of management for all Patients admitted under her care.

b) Completion of an admission note may be delegated to a Midwifery Student. The Most Responsible Midwife, nevertheless, remains responsible for ensuring the recorded information is complete and accurate.

c) Admission Note Requirements:

i. Every inpatient must have an admission note completed within twenty-four hours following admission.

ii. For Patients re-admitted to hospital within thirty days of discharge for the same or related problem, a copy of the previous/most recent complete admission note, accompanied by a note documenting the changes that have occurred since discharge, will suffice.

iii. For obstetrical Patients an original or reproduction of the prenatal record is acceptable as an admission note but must be authenticated and validated by the Most Responsible Midwife.

iv. For Patients transferred from one Site of Clinical Activity to another, a note detailing the reasons for the transfer and the condition of the Patient upon arrival at the receiving Site of Clinical Activity, together with a copy of the admission note from the sending Site of Clinical Activity, shall constitute an admission note for the record for the receiving Site of Clinical Activity. Copies of the Patient’s complete health record from the sending Site of Clinical Activity, or the relevant portions of it, should be included to the Patient’s health record in the receiving Site of Clinical Activity.

d) Recommended Minimum Content of an Admission Note:

i. Identification Information with respect to the Patient.

ii. The reason(s) for admission, or chief complaint.

iii. Details of present illness, including, when appropriate, assessment of the Patient’s emotional, behavioural and social status.

iv. Relevant past medical history, review of body systems, current medications, presence or absence of allergies, and relevant past social and family histories appropriate to the age of the Patient.

v. Details of a complete physical examination.

vi. Documentation of relevant recent or available laboratory or diagnostic imaging tests.

vii. A comprehensive list of active Patient care problems/issues with an appropriate differential diagnosis for each problem as required.
viii. A statement of the conclusions drawn from the admission history and physical examination and an initial plan of management for the active problems.

ix. Level of care designation or a summary or copy of the Patient’s personal directive if appropriate.

x. Estimated length of stay and documentation of Patient issues or circumstances that may prolong the length of stay or will require advanced discharge planning.

4.18.2.4 Progress Notes

a) The Most Responsible Midwife is responsible for recording and maintaining progress notes for Patients under her care. Progress notes must serve as a pertinent chronological record of the Patient’s course in hospital as well as any change in condition, interpretation of the results of diagnostic tests and the effect of treatment.

b) Documentation and maintenance of progress notes may be delegated to a Midwifery Student. The Most Responsible Midwife, nevertheless, remains responsible for ensuring the recorded information is complete and accurate. The Most Responsible Midwife must co-sign the progress notes of Midwifery Students.

c) Daily progress notes are recommended for Patients in acute care Sites of Clinical Activity. Notwithstanding these guidelines, progress notes shall be completed whenever there is a significant change in the Patient’s condition or management, and whenever unexpected events or outcomes occur.

d) Recommended minimum content of Progress Notes:

   i. Response to treatment.
   ii. Acute or unexpected changes in the Patient’s condition.
   iii. Adverse reactions to drugs and/or other treatments.
   iv. Interpretation of the results of diagnostic tests, particularly significant or unusual test results.
   v. Fundamental decisions about ongoing management including but not limited to medication, invasive Procedures, consultations, treatment goals, and decisions regarding level of care/resuscitation.
   vi. Invasive Procedures not performed in an operating room.
   vii. Discharge plans.
   viii. Documentation in the event of death, including the date and time of death.
   ix. Any other information as may be pertinent, such as temporary leaves, refusal of treatment or leaving against advice.

4.18.2.5 Midwife Orders

a) All Midwifery orders must be documented on the approved order sheet with the time, date of the entry, and a legible signature, preferably accompanied by her printed name. Where electronic order entry is available, utilization of the system is mandatory.
b) The identity of the Midwife with an Appointment covering in the case of an absence of the Most Responsible Midwife and all transfers of care between the Midwife and the Physician shall be documented in the orders.

c) Verbal and Telephone Orders:
   i. Verbal orders are acceptable only in emergency situations.
   ii. Telephone orders should be limited to those situations in which prompt or immediate direction for Patient care is required and the ordering Midwife with an Appointment is not able to access the Patient’s health record or electronic order entry in a period of time appropriate for the circumstances requiring an order. Facsimile (fax) transmission of orders written by the ordering Midwife is preferred to telephone orders. Faxed orders must include the ordering Midwife’s legible signature, preferably accompanied by her printed name.
   iii. Verbal and telephone orders shall only be accepted and recorded by persons authorized to do so and in accordance with Policy.
   iv. Telephone orders communicated by a third party acting on behalf of the Midwife with an Appointment shall not be accepted, unless such a person is another Midwife with an Appointment or a resident. However, in emergency situations when the Midwife cannot personally provide a telephone order, such orders may be relayed by an AHS staff member so long as the staff member doing so is physically present with, and can be heard by, the ordering Midwife.
   v. Verbal and telephone orders must be repeated back to the ordering Midwife and, according to AHS Policy, will be signed by the authorized person to whom they were dictated, along with the name of the ordering Midwife.
   vi. Verbal and telephone orders shall be countersigned within twenty-four hours. Verification of verbal and telephone orders shall be the responsibility of the ordering Midwife with an Appointment and must comply with Policy.
   vii. Order sets shall be signed by the Midwife with an Appointment for each Patient to whom they are applied. Order sets must be approved and periodically reviewed by the Midwifery Director in accordance with Policy.

4.18.2.6 Anaesthetic Records for Entonox

The Midwife with an Appointment shall assess and record the administration of any anaesthetic in accordance with Policies.

4.18.2.7 Consultation reports

a) Consultation reports are to be written, dictated and/or electronically entered in the health record within twenty-four hours of assessment of the Patient.

b) Recommended Minimum Content for Consultation Reports:
   i. identification information with respect to the Patient.
ii. findings of the consultation and recommendations for management of the Patient.

4.18.2.8 Discharge Summaries

a) The Most Responsible Midwife at the time of discharge of the patient from the Site of Clinical Activity is responsible for completing a discharge summary.

b) Completion of discharge summaries may be delegated to a Midwifery Student. The Most Responsible Midwife, nevertheless, remains responsible for ensuring that the discharge summary is accurate and comprehensive.

c) Completion Requirements:

i. A discharge summary is required for each admission in a manner that is conducive to electronic access and distribution (i.e. dictation, direct electronic entry, and/or scanning).

ii. Discharge summaries should be completed within fourteen days after the chart is made available to the Midwife with an Appointment post-discharge.

d) Recommended minimum content of a Discharge Summary:

i. Identification Information with respect to the Patient.

ii. history of present illness.

iii. brief description of the clinical problems and events leading to admission.

iv. course in hospital.

v. a brief summary of the management of each of the active clinical problems during admission, including operations/Procedures and major investigations, treatments and outcomes.

vi. most responsible diagnoses.

vii. secondary diagnoses.

viii. the condition of the Patient at the time of discharge.

ix. discharge plan, including further investigations or consultations to be completed, medications on discharge, recommended physical activity, instructions to other caregivers, and follow-up (if any) by the Most Responsible Midwife or consulting Midwives with Appointments.

x. any specific instructions given to the Patient and/or her family, as pertinent.

4.18.2.9 Autopsy Reports

When an AHS autopsy is completed, an autopsy report shall be included in the health record. AHS shall take reasonable action to endeavour to obtain the reports of autopsies undertaken by the Medical Examiner and have them included in the Patient's health record.
4.18.2.10 Emergency Department Notes and Ambulatory/Outpatient Reports

   a) All entries on emergency and ambulatory Patients must be documented by the Midwife with an Appointment on the approved forms and shall include the time, date and identifiable signature, preferably accompanied by her printed name.

   b) The Most Responsible Midwife shall ensure the emergency department notes and ambulatory/outpatient records of all Patients in her care are completed.

   c) Completion of emergency notes or ambulatory/outpatient records may be delegated to a Midwifery Student. The Most Responsible Midwife, nevertheless, remains responsible for ensuring the recorded information is complete and accurate.

   d) Completion Requirements
      
      i. Every emergency department must have an emergency department note completed prior to discharge from the emergency department and every ambulatory Patient must have an ambulatory/outpatient record completed within twenty-four hours.
      
      ii. To facilitate the ongoing provision of care, for each Patient who receives continuing ambulatory/outpatient care, a summary outlining the changes that have occurred since the last visit is required.

   e) Recommended minimum content of emergency department notes and ambulatory/outpatient records:
      
      i. The reason(s) for the visit.
      
      ii. The relevant history of the present illness or injury and the physical findings, including the Patient’s vital signs as clinically appropriate.
      
      iii. Diagnostic and therapeutic orders.
      
      iv. Clinical observations, including the result of treatment.
      
      v. Reports of diagnostic tests and surgery and Procedures, and their results.
      
      vi. Reports of any consultations or telephone/verbal advice obtained.
      
      vii. Final diagnosis or impression.
      
      viii. Patient disposition and any instructions given to the Patient and/or her family for care.
      
      ix. Allergies and medications, both current and prescribed.
      
      x. Referrals to another Midwife with an Appointment and/or Programs or Professional Services.

4.18.3 Health Record Completion Guidelines

   All members of the Midwifery Staff shall complete health records within the following timelines using the systems made available for handwritten records, dictation, electronic entry, and signature.

4.18.4 Curtailment of Clinical Privileges for Incomplete Health Records:

4.18.4.1 Curtailment of Clinical Privileges for Incomplete Health Records

a) AHS Health Information Management staff at each AHS Site of Clinical Activity will monitor the completion of Patients’ health records by Midwives with Appointments.

b) After a Patient has been discharged from a Site of Clinical Activity, the Patient’s health record will be made available to the Midwife with an Appointment in the designated health record completion area of the Site of Clinical Activity.

c) If the Patient’s health record is incomplete fourteen days after it is made available post-discharge, Health Information Management will send a notification to the Midwife with an Appointment.

d) If at any time, the Midwife with an Appointment accumulates ten or more Patient health records that have been incomplete for more than twenty eight days after they have been provided to the Midwife for completion, or any single Patient health record has remained incomplete more than ninety days after it has been provided to the Midwife for completion, the Site of Clinical Activity shall notify the Midwife and the Midwifery Director. Unless the Midwifery Director determines that there are extenuating circumstances, she shall, fourteen days later, curtail the Midwife’s Clinical Privileges as described in section 4.18.4.2 of these Rules. This curtailment in Clinical Privileges shall continue until all outstanding health records are completed.
e) Curtailment of Clinical Privileges encompasses all inpatient and ambulatory activity within all Sites of Clinical Activity.

4.18.4.2 During the period of curtailment, the Midwife in default shall be permitted and expected to:

a) Continue to care for her own Patients (including any surgical care) admitted prior to the date of curtailment of Clinical Privileges.

b) Fulfill her obligations with regard to on-call responsibilities during which time the Midwife may treat, admit and consult on emergent cases and provide coverage for Patients under the care of her Zone Midwifery Clinical Department service / colleagues.

c) Provide care for her personal maternity and newborn cases including admission where necessary.

4.18.4.3 During the period of curtailment, the Midwife in default shall not be permitted to:

a) Admit Patients, other than her own maternity and newborn Patients.

b) Write orders on her personal Patients who are admitted under the care of another Midwife with an Appointment.

c) Treat Patients in her Site(s) of Clinically Activity except to continue to care for Patients for whom he/she was the Most Responsible Midwife prior to the administrative suspension.

4.18.4.4 End of the Period of Curtailment

All Clinical Privileges will be reinstated upon completion of all incomplete Patient’s health records that led to curtailment. If the Midwife with an Appointment fails to complete the Patient’s health records that led to the curtailment within fourteen days of the curtailment being imposed, either a Concern or Immediate Action shall be initiated by the Midwifery Director.

D. OTHER

4.19 DISASTER PLANNING/EMERGENCY PREPAREDNESS

As required, and according to AHS and Facility Disaster/ Emergency Preparedness Plans each Midwife with an Appointment shall participate in disaster and emergency preparedness planning/exercises, and in the actual activation/implementation of plans in the event of an external/internal disaster or public health emergency, including those resulting in major service disruption.
4.20 PHARMACY

Each Midwife with an Appointment shall be governed by Policies regarding the use of drugs and therapeutic agents. These include Policies introduced by the Provincial Pharmacy and Therapeutics Committee and its subcommittees, and those related to the Provincial Formulary.

4.21 COMMUNICABLE DISEASES

a) Midwives with Appointments shall provide care within their area of expertise to all Patients, including those known or suspected of having transmittable infections. Midwives shall also ensure that all appropriate precautions are taken to prevent transmission of these infections to others, including themselves.

b) It is the duty of all Midwives with Appointments to take appropriate action to protect themselves and Patients from known, suspected or possible transmittable infections and conditions. Such action shall include compliance with basic infection control strategies, referred to as routine practices (also known as standard or universal blood and body fluid precautions), for every Patient encounter. Additional precautions may be necessary for Patients with pathogens transmitted by contact, droplet or airborne routes. As determined by an AHS occupational health Physician and/or a Zone Medical Officer of Health, alteration and/or restriction of Midwifery duties or, when necessary, exclusion of the Midwife from work may also be required as defined by the Midwife’s susceptibility to, and potential for transmission of, a communicable disease.

c) The Midwife with an Appointment shall follow the current hand washing Policy and the current isolation Policy.

d) The Most Responsible Midwife shall be accountable for notifying the Zone Medical Officer of Health of all cases of communicable disease where such notification is required by law.
PART 5 – RULES APPLICABLE TO AN INDIVIDUAL ZONE OR ZONES

5.1 A Zone, through the Provincial Midwifery Executive Committee, may develop Zone Rules where necessary to reflect circumstances unique to the Zone, provided that such Zone Rules do not conflict with and are not inconsistent with the Bylaws, Part 3 of these Rules (Rules Applicable to all AHS Zones), or Part 4 of these Rules (AHS Patient Care and Midwife-related Provisions Common to all Zones).

5.2 Zone Rules so developed shall follow the approval process pursuant to section 1.5 of the Bylaws.

5.3 These Zone Rules shall govern the day to day management of Midwifery Staff activities within the Zone, and nothing in them shall alter the intent and purpose of the Bylaws or Parts 1 through 4 of these Rules inclusive.

APPENDIX B – CREATION, MODIFICATION AND DISSOLUTION OF ZONE MIDWIFERY CLINICAL DEPARTMENTS

Changes in a Zone’s Midwifery Clinical Department structure shall be made according to the following provisions:

a) The Midwifery Director will periodically assess the Zone’s Midwifery Clinical Department structure to determine whether any change is required (creating, combining, or eliminating Zone Midwifery Clinical Departments for better organizational efficiency and improved Patient care.

b) In addition,
   i. one or more Zone Midwifery Clinical departments may request that the Midwifery Director consider changes to the Zone’s Midwifery Clinical Department structure.
   ii. a group of Midwifery Staff Midwives who satisfy the criteria for Zone Midwifery Clinical Department designation, as set forth below, may request consideration of such designation by petitioning the Midwifery Director and/or the Provincial Midwifery Executive Committee in writing and providing appropriate supporting documentation for such a designation.

c) In addition to the criteria and factors described in sections 2.2.1, 2.2.2 and 2.2.3 of the Bylaws, the following factors shall be considered by the Midwifery Director and the Provincial Midwifery Executive Committee in determining whether the creation of a Zone Midwifery Clinical Department is warranted:
   i. there are a minimum of twenty five Midwifery Staff (for Midwifery Clinical Departments) who would be available and who are willing to be appointed to the proposed Zone Midwifery Clinical Department; and
   ii. the level of clinical service and activity that will be provided by the proposed Midwifery Clinical Department is substantial enough to warrant imposing the responsibilities and expectations of a Midwifery Clinical Department (pursuant to the Bylaws and these Rules) upon the proposed members.

d) In addition to the criteria and factors described in sections 2.2.1, 2.2.2 and 2.2.3 of the Bylaws, the following factors shall be considered by the Midwifery Director and the Provincial Midwifery Executive Committee in determining whether the dissolution or amalgamation of a Zone Midwifery Clinical Department(s) is warranted:
   i. there is no longer an adequate number of Midwifery Staff in the Zone Midwifery Clinical Department to enable it to accomplish the functions set forth in the Bylaws and these Rules;
   ii. there are an insubstantial number of Patients or an insignificant amount of clinical service and activity to warrant the imposition of the responsibilities and expectations of a Zone Midwifery Clinical Department (pursuant to the Bylaws and these Rules) upon the members of the Zone Midwifery Clinical Department;
   iii. the Zone Midwifery Clinical Department fails to meet on at least a quarterly basis;
iv. the Zone Midwifery Clinical Department fails to fulfill all designated responsibilities and functions; or
v. no qualified individual is willing to serve as Midwifery Director.

e) Prior to creating, modifying or dissolving a Zone Midwifery Clinical Department, the Midwifery Director shall consult with all affected Midwives.

f) Recommendations for changes to a Zone’s Midwifery Clinical Department structure require the endorsement of the Midwifery Director and a majority of voting members present at a duly constituted meeting of the Provincial Midwifery Executive Committee. If the recommendation for change(s) is supported, the recommendation will be forwarded to the Senior Vice President or designate for review and final approval.
### APPENDIX C – AHS POLICIES APPLICABLE TO MIDWIVES

Members of the Midwifery Staff shall review, and comply with the Policies which are applicable to the Midwifery Staff. The Policies may be viewed on-line on the AHS internal website.
