

Alberta Health Services: Get to Know Us

HISTORY

Founded
May 2008

Brought together

9 regional health
authorities

and

3 agencies

Largest,
fully-integrated
health system
in Canada.

WHO WE ARE

Vision:

Healthy Albertans. Healthy Communities. Together.

Mission:

To provide a patient-focused, quality health system that is accessible and sustainable for all Albertans.

Values:

Compassion, Accountability, Respect, Excellence, Safety

Four Areas of Focus:

- Improve patients' and families' experiences.
- Improve patient and population health outcomes.
- Improve the experience and safety of our people.
- Improve financial health and value for money.

spent on administration,
among the lowest in Canada

AHS BOARD

Minister of Health

AHS Board

is responsible for the
governance of AHS

ENGAGEMENT

12 Health Advisory
Councils

bringing the voices of
Alberta communities
to health care
services. Each
council represents
a geographical area
within the province.

1 Wisdom
Council

providing guidance and
recommendations to
ensure AHS develops
and implements
culturally appropriate
and innovative health
service delivery for
Indigenous People.

3 Provincial
Advisory Councils:

Addiction and Mental
Health, Cancer and
Seniors and Continuing
Care. Advises on
provincewide services
and programs.

RESEARCH

AHS has **15 Strategic
Clinical Networks**,
each comprised of clinicians,
researchers, policymakers,
patients and their families, who
are focused on driving innovation
and standardizing care.
