

The following tools are available for use with the Provincial Hip Fracture Care Pathway. Documents with form numbers can be ordered through [DATA Group](#) (see [DATA Document Manager User Guide](#) for ordering instructions). Other documents can be printed from the **Website** - Hip Fracture Care Pathway Toolkit Page on the Alberta Health Services website (<http://www.albertahealthservices.ca/hfcptoolkit.asp>). Translated materials are available for printing from **MHA** - MyHealth.Alberta.ca (search "Guide after Hip Fracture – Overview").
