

Beyond Balanced Scorecards: Inspiring improvement in everyday care through teamwork (Condensed)

This agenda is subject to revisions up until the learning session

Objectives:

1. To promote collaborative learning by sharing successes & challenges experienced, and highlights of work done to date.
2. To provide opportunities for networking & peer consultation.
3. To participate in evidence to practice education sessions, and incorporate the learning into unit specific improvement strategies.
4. To participate in working sessions & provide feedback, informing provincial practice guidelines.
5. To review implementation strategies utilized & identify improvement opportunities through team discussions, and develop action plans for next PDSA cycle.
