

Medicine Hat Regional Hospital ICU

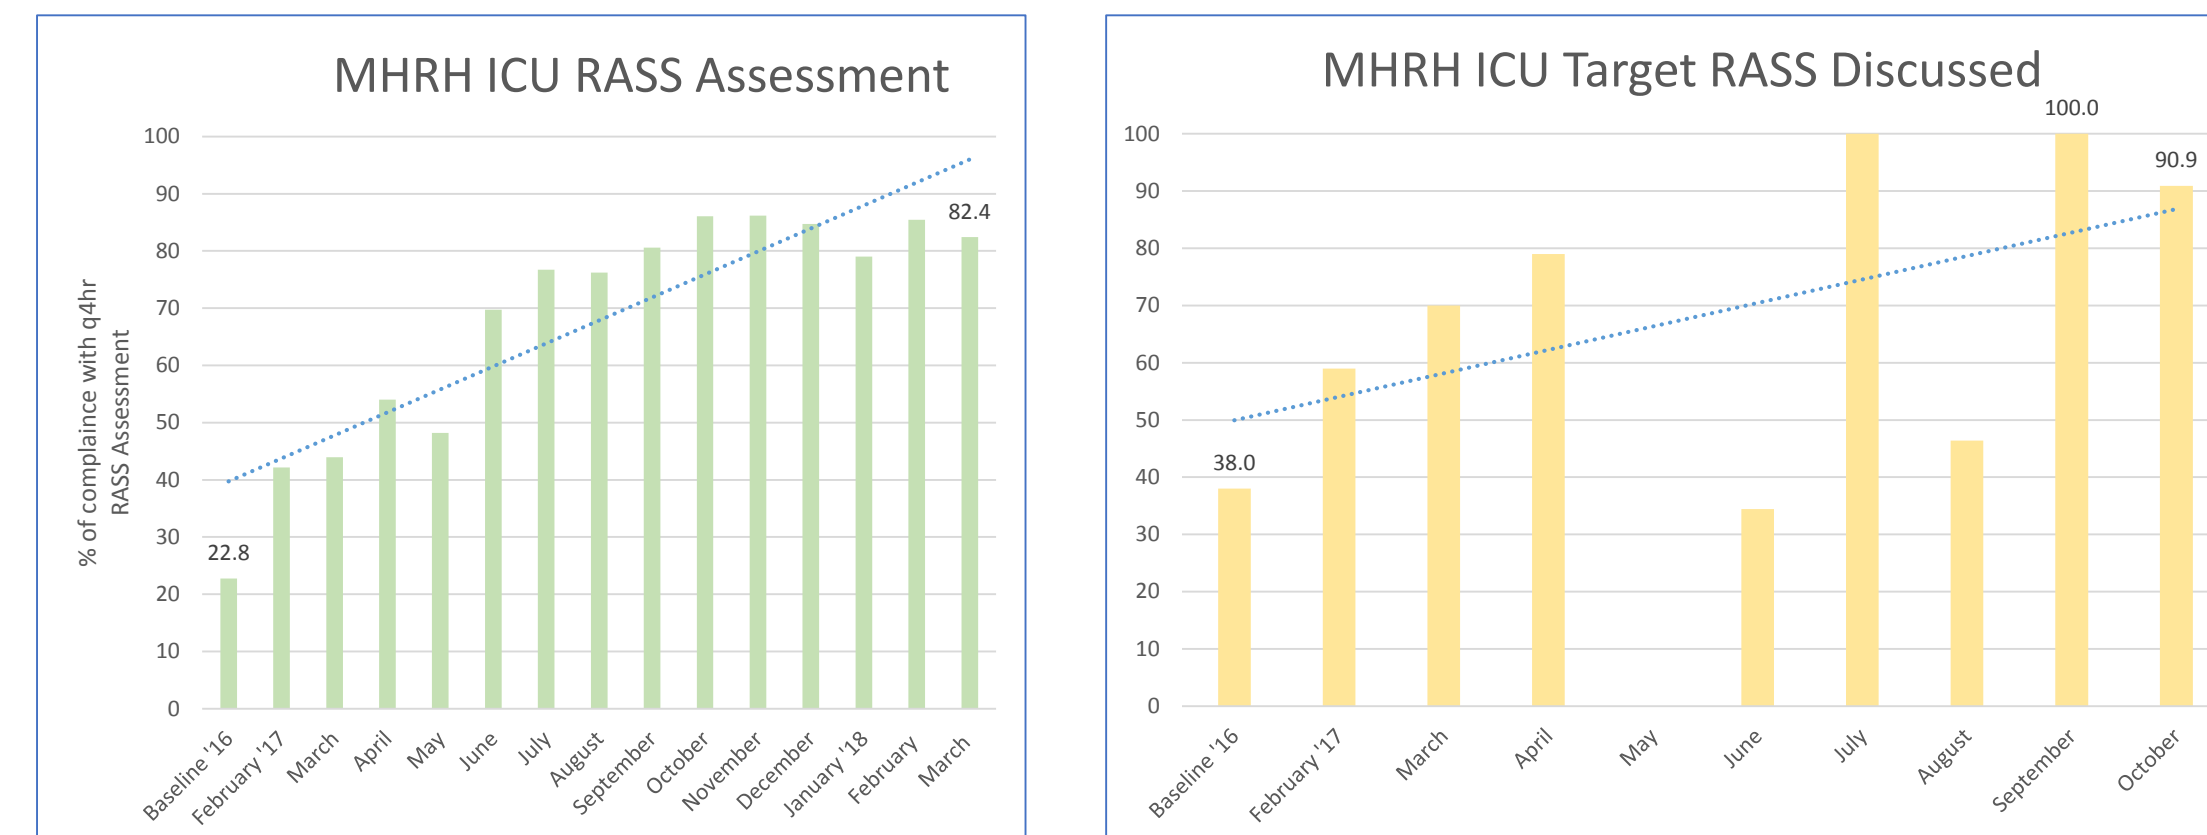

THE PAST

- No unit specific delirium protocol
- Didn't discuss goal RASS
- Over sedated ventilated patients
- Didn't routinely mobilize patients

OUR UNIT DELIRIUM TEAM

Alvin Villanueva (IM)
 Jill Denman (Manager)
 Catherine Johansen (RRT)
 Marni Mason (RN)
 Sydney Carlson (RN)

THE PRESENT

- Discussing mobility plan daily at RAPID ROUNDS
- Early mobilization
- Using new sedation protocol on ventilated patients
- Discussing goal RASS with team
- Educating team about delirium
- Sharing data with staff

THE FUTURE

New standing orders for all ICU patient's including:

- Day/Night Routine
- Goal RASS
- Pain guidelines

We commit to de-adopt:
Bedrest on all patients

We will adopt:
Day/Night routine
