

Northern Lights RHC - ICU

THE PAST

- Minimal multidisciplinary collaboration
- Mobility not a priority → very few PT consults
- Pharmacy not present on the unit

OUR UNIT DELIRIUM TEAM

- Katie Kirschner (RN)
- Jonathan Willcott (PT)
- Amnah Rana (Pharm)
- Lee Junlajeam (RT)
- Michelle Van Beek (ICU Manager)
- Dr. Khinda (MD)

THE PRESENT

- Daily Bullet Rounds (multidisciplinary rounds)
- Pharmacy present consistently on the unit
- PT consult on every patient
- Less sedation
- Improved interdisciplinary teamwork

THE FUTURE

- Improve consistency of Bullet Rounds
- Adopt Day/Night Routine
- MD presence during Bullet Rounds (ie. Change time to suit all schedules)

We commit to de-adopt:
Over-sedating patients

We will adopt:
Day/Night Routine
