

Foot Care Nurses in Alberta

All private operators

This list is provided to support Alberta residents in finding foot care nurses who operate in or near their community. All listed are nurses and are trained in advanced nursing foot care. Providers are listed by community/service area. To navigate the list, click on the name of closest community below. If you are a foot care nurse and would like to be added to the list, contact don.scn@ahs.ca

NOTE: All practitioners on this list are private foot care nurses. They charge a fee for services, which may vary. These nurses and the services they provide are not affiliated with Alberta Health Services.

In providing this information, Alberta Health Services is neither endorsing these services nor monitoring or vetting individual practitioners. Prospective patients are encouraged to exercise due diligence in choosing a provider and contacting references. AHS also accepts no responsibility for service delivery or the accuracy of this information, which is provided by practitioners.
