

# A place of wellness and healing

We acknowledge our workplace is on the traditional territory of many Indigenous peoples. They include the Treaty 6 First Nations, the Inuit and the Métis Nation of Alberta, Regions 2, 3 and 4.

Our vision:  
Healthy Albertans.  
Healthy Communities.  
Together

Our mission:  
To provide a patient-focused,  
quality health system that is accessible  
and sustainable for all Albertans.
