Images and Illustrations

All images must meet AHS branding and Web Communication guidelines. AHS employees can access these on [Web 101](#).

Generally:

- All images are to be sent as JPEG format and illustrations as PDF, Visio or Adobe Illustrator files.
- All images to be a max of 1mb
- Single image full width to be 600px
- Double column images to be 264px
- Triple column images to be 164px
- Include a figure caption for all images and illustrations.
- Please do NOT crop or edit photos before submitting them.
- Please use a descriptive file name (e.g., cancer-care.jpg instead of img_3673.jpg)
- The [AHS Media Library](#) has images you are free to use.
- Ensure all people in the photo are following guidelines set out by Alberta Government during for example, COVID-19 (including masking and distancing).

Permissions

Contributors are also responsible for ensuring:

- Consent forms have been completed for all individuals featured in a photograph. (Note: this does not apply to images from the AHS Media Library.)
- They have copyright permission for any third-party content, including images or illustrations, or that it is copyright and royalty free
- Corresponding author (primary contact) is responsible for ensuring all content is approved by contributing authors.

Questions about permissions, image or file requirements can be directed to the [Editorial Board](#).

Important Deadlines

SCNergy is published approximately 3 times a year (Winter, Summer and Fall editions), with target publication dates in **January, June and October**.

Submission deadlines vary depending on article type. The table below applies to feature and Connections (Q&A) articles.

Edition	Deadline for story idea submissions	Deadline for Editorial Board to respond to ideas	Deadline to submit completed draft	Publication date
Fall 2022	Oct 24	Oct 31	Nov 21	Week of Dec 12

Note: We encourage early submissions whenever possible to ensure adequate time for reviews, revisions and approvals and maximum production quality. Editorial Board volunteers may not be able to accommodate content submitted beyond these deadlines.
