

## Directions for Use of the Influenza Immunization Record

Print in open areas or fill in the blanks.

Place a ✓ or X in the tick box that applies.

**Age:** Print current age. Note: The age box has been added to assist with the reason code. It is the immunizer's responsibility to confirm the correct age based on the date of birth.

**Date of Birth:** Print as shown on the Alberta Health Care card; yyyy = 4 digit year, Mon = 3 letter month, dd = 2 digit date; (e.g. Oct 3, 1939 is to be recorded as 1939 Oct 03).

**Out of Province Address:** Complete this section **ONLY** for temporary residents (e.g., persons attending school in Alberta or persons working temporarily in Alberta).

**Status:** Complete this section **ONLY** if the client does not have a Provincial Health Care or Unique Lifetime Identifier (ULI) number. Examples include:

- New to Alberta: person is resident of Alberta but has not applied or received their provincial health care number.
- Visitor: includes out of province students and temporary workers only.

### **Influenza Vaccine**

**Informed Consent:** AHS Informed Consent Policy, Consent to Treatment/Procedure(s) and Standard for informed consent has been met, and fit to immunize assessment has been completed. For immunization specific consent forms refer to zone processes.

### **Priority List by Reason Code (Influenza):**

- Place a ✓ or X in one tick box **ONLY**. If the client matches more than one reason code, choose the one that appears first on the list.

### **Dose:**

- Annual
  - Use for children who received seasonal influenza vaccine in a previous influenza season.
  - Use for all persons aged 9 years of age and older who require only one dose of vaccine in the current influenza campaign.
- Dose 1 of 2 and 2 of 2:
  - Use **ONLY** for children 6 months of age up to and including 8 years of age who qualify for 2 doses of vaccine during the current influenza campaign. There will be no dose twos in the first 4 weeks of the campaign.

### **Vaccine (Manufacturer):**

- Place a ✓ or X in one tick box **ONLY** indicating which vaccine was given. "Other" has been included in the list of vaccines in case there are last minute changes to vaccine products.

### **Lot #:**

- Record lot number of vaccine administered.

### **Site:**

- Place a ✓ or X in one tick box **ONLY** indicating site of vaccine administration.

### **For Children Requiring 2<sup>nd</sup> Dose:**

- Indicate date second dose is due (must be a 4 week interval from first dose).

**Date Vaccine(s) Given:**

- Record the date the influenza vaccine was given in the same format as the Date of Birth, e.g. yyyy / Mon / dd.

**Immunizer's Full First Name/ Surname/Designation:**

- Please **PRINT** full first name, surname and designation clearly

The Influenza Immunization Record is to be used for internal purposes only (e.g. Data entry, partner reporting). It is not intended to be used as a record of immunization and is not to be given to the client by the immunizer. For AHS administered vaccine, upon a client's request, AHS will release health information, including the immunizer's full first and last name, pursuant to Health Information Act (HIA), the Freedom of Information and Protection of Privacy Act (FOIP), and the Health Professions Act (HPA), unless the exceptions in s.11(1) of the HIA apply.
