AHS staff

Are you a registered user? If not, you can self-register at <https://dol.datacm.com> for self-service account set up. Users must have an Alberta Health Services email address. All users will need to provide a cost center to set up an online account with DATA Communications Management.

Non-AHS staff

Are you a registered user? If not, go to <https://dol.datacm.com> to request the online set-up form. A credit card will be required for each online purchase.

Using DATA online

Once you have your account set up, go to <https://dol.datacm.com> and enter your login and password. Select 'Create an Order' to get started with your order. Under the 'Catalogue' heading, you can select either 'All Items' or 'Provincial Items'.

Should you require a **username** and **password** please visit our website at <https://dol.datacm.com> and click the link to "Register". Your email address will become your **username**, and you will need a valid budget code to complete your registration.
