

# SURGERY 101

Does your child's upcoming surgery have them asking all kinds of questions?

**Join a Child Life Specialist to:**

- Learn about what to expect on surgery day.
- Try out all kinds of medical equipment including an anesthesia mask, blood pressure cuff, pulse oximeter....
- Learn about anesthesia.
- Learn coping strategies to help relax.
- See where the surgical areas are located at this hospital.

**This program is offered every Tuesday at 11:00 a.m.  
in the ART STUDIO on LEVEL 4.**

To register your child please email  
[child.life@albertahealthservices.ca](mailto:child.life@albertahealthservices.ca)

(we recommend attending within 1-2 weeks of your child's surgery date)
