Carewest Rouleau Manor

Carewest Rouleau Manor is a secured dementia care facility for cognitively complex residents whose care needs cannot be met in standard supportive living environments and who require ongoing, consistent professional nursing care. Many of the residents lived well below the poverty line before entering Carewest Rouleau Manor.

In order to meet the needs of dementia patients with little to no family support, the facility is in desperate need of our help to provide several basic items:

- ◆ Soap
- ◆ Shampoo/Conditioner
- ◆ Toothbrushes/Toothpaste
- ◆ Deodorant
- ◆ Razors & Shave Cream
- ◆ Men's Clothing for all seasons, sizes M-2XL
 - Socks, T-Shirts, Sweaters, Jeans, Underwear
- ◆ Outerwear
- ◆ Boots/Shoes
- ◆ Winter Coats

A donation box will be set up in the link by the Chapel from August 18—September 30
