

Wireless internet  
available to  
patients, families  
and guests on:  
**healthspot**

Wireless internet access is available to patients, families and guests on the complimentary AHS “**healthspot**” wireless network.

To access:

- Open your wireless network setting and select ‘**healthspot**’
- Once connected, open up your internet browser and you will be redirected to the ‘Acceptable Use Policy’
- Review the policy and select ‘Accept’. You will receive a message to indicate that you have “signed on successfully”.
- Your wireless access to ‘**healthspot**’ will now be available. You will be logged on for 48 hours before you will need to repeat the steps above (even if you leave the hospital)

NOTE: If the ‘Acceptable Use Policy’ page does not show up, type in a known webpage into your browser and it should redirect you to the page.

**Still need help?** Ask a Hospitality Volunteer for assistance.
