

Child Life Internship

The Child Life Department at the Stollery Children's Hospital offers a full time, 600 hour clinical internship over 16 weeks, practicing in accordance with the requirements and standards set forth by the [Association of Child Life Professionals \(ACLP\)](#). The Child Life Program at the Stollery Children's Hospital accepts both affiliated and unaffiliated students.

Prerequisites

- Possession of a graduate degree or a bachelor's degree in child life or other related field of study, OR in your last semester/quarter in a graduate level program.
- Volunteer or work experience with children in a medical/health related setting.
- Completed [Eligibility Assessment](#) as outlined by ACLP

Submitting Your Application

- Current, completed [Common Child Life Internship Application](#)
- Complete copy of completed Eligibility Assessment from the ACLP.
- All unofficial transcripts containing courses listed on your ACLP Eligibility Assessment. Official transcripts may be requested at acceptance to internship.
- Current resume/CV and cover letter

All application materials must be present in order to be considered.

Email all completed materials to: student.placements@ahs.ca
Only successful applicants will be contacted for an interview.

If you have any questions or need assistance, email Alison Naylor,
CCLS: alison.naylor@ahs.ca
