

Accessing eLearning videos on My Learning Link

You will use My Learning Link to access your pre and post class eLearning videos. Each eLearning video is available in My Learning Link (MLL) as a unique course. Follow the steps below to search, register, and then watch each eLearning

1. Navigate to <https://mylearninglink.ahs.ca>
2. Log in using your AHS user ID and password

3. On the left side of the Learning Home page click on Courses and Registration
 - a. In the search field enter the Course ID e.g., MD100, the list below shows all the name and course ID for all your eLearnings
 - b. Click the search button
 - c. Click on name of the eLearning which appears at the bottom of the search page

- Scroll down to see details about this eLearning course, then click the register button to sign up for the course

Course Prerequisites - None		Certificate Prerequisites - None		
Session	Date	Location	Details	Enrolment
4	10001	Thu Jun 27, 2019 8:00AM - Thu Aug 27, 2020 4:00PM	Online	Session Details 59 out of Unlimited

- Click on My Courses to see the eLearnings that you have registered to watch
