

Katherine, Triage Clerk

Want to be more comfortable with computers? **eHealth Competence can help**

Optional online courses are now available to:

- Develop your ability, comfort and efficiency in using technology.
- Use your new skills with any eHealth system or technology – not just the Connect Care system
- Take a pre-assessment to get a recommended program based on your existing knowledge and experience with eHealth technology.
- Accessible anywhere through Insite.
- No registration required.

Learn more, visit insite.ahs.ca/connectcare or
contact connectcarelearning@ahs.ca.
