Subject to Change
 *Updated June 2020

Implementation sequence planning for Waves 2, 3 and 4 is subject to change due to external factors, including COVID-19
 Implementation sequence planning is ongoing for sites in Waves 5, 6, 7, 8 and 9. As our knowledge improves future waves may be modified.
 An updated implementation timeline will be published with further details.

*Sequencing for Alberta Kidney Care North and South is still being finalized.

**There is ongoing decision making for Wave 3 sites in Fort Vermilion, High Level and La Crete.
