

Connect Care Student Training Schedule Tip Sheet

Student Training Schedule

The following is how to use the publicly available Connect Care training schedule: [Student Schedule - Tableau](#)

The schedule refreshes automatically ~every 2 hours near the beginning of even hours.

Publishing the schedule is done with an intent to show the schools how many sessions are built; more will be built as needed, as per current process (send request to: ConnectCare.Learning@albertahealthservices.ca).
