

Facilitating Team Rounds

Gather Collaborative Care Team in consistent location

- Assign a scribe (it is beneficial to have scribe separate from facilitator)

During Team Rounds

- Ensure everyone understands the purpose of Team Rounds and their role, particularly if there are new members
- Ensure all providers are engaged and included to represent their residents
- Keep the conversation on track
 - Close side conversations

What gets covered in Team Rounds?	
1	Address resident questions or concerns
2	Any significant changes/emerging issues for the Care Plan? <ul style="list-style-type: none"> ○ Emerging issues ○ Key points about today's care plan ○ Who will update the patient and whiteboard
3	Any changes to Goals of Care Designation?
4	Medication Review due/required? (Narcotics, antipsychotic etc.)
5	Any Quality of Life needs? (Recreational, Spiritual, etc.)
6	Identify upcoming Inter-RAI assessments
7	Identify any transitions
