OUR PATIENTS

Who we care for

Community paramedics are trained to care for vulnerable Albertans and those who may have complex medical conditions. If you are unwell and hoping to stay out of hospital we can help.

OUR CARE

What we can do

Community paramedics are a reliable and trusted alternative to the hospital. Receive urgent care when and where you need it most. We aim to enhance access and coordination of services by providing client-centered care. From assessments and diagnostics to procedures and treatments, community paramedics will bring hospital level care to you by collaborating with you and your healthcare team.

OUR LOCATIONS

Where we go

We provide low barrier care to people where they need it, wherever that may be. Community paramedics provide services to people where they live in and around Grande Prairie, Peace River, Edmonton, Camrose, Red Deer, Calgary, Lethbridge and Medicine Hat.
