Name

\*QuRE Generic Referral Form (system.med-access.net)

\*Referral: Aboriginal Diabetes Wellness Program (AB) (system.med-access.net)

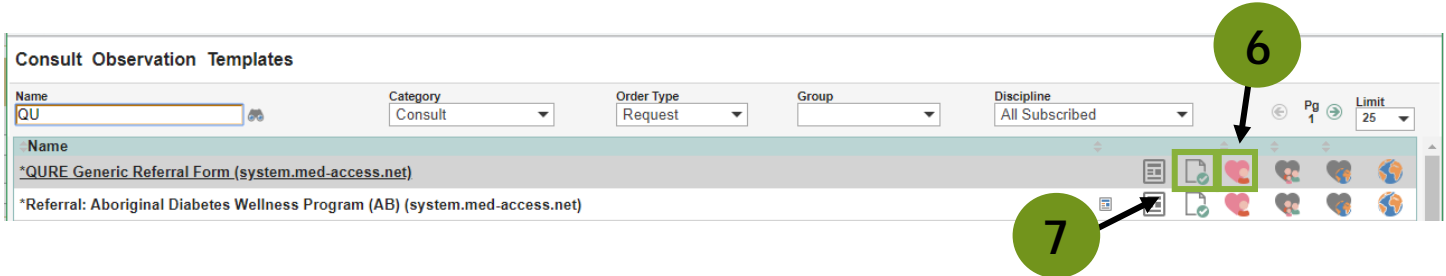

\*Referral: Adult Community Mental Health and Substance Use Central Intake Centre (VCH) d-access.net

\*Referral: Adult Nutrition Counselling Service (CHR) (system.med-access.net)

\*Referral: After Hours Clinic - Calgary West Central PCN (CHR) (system.med-access.net)

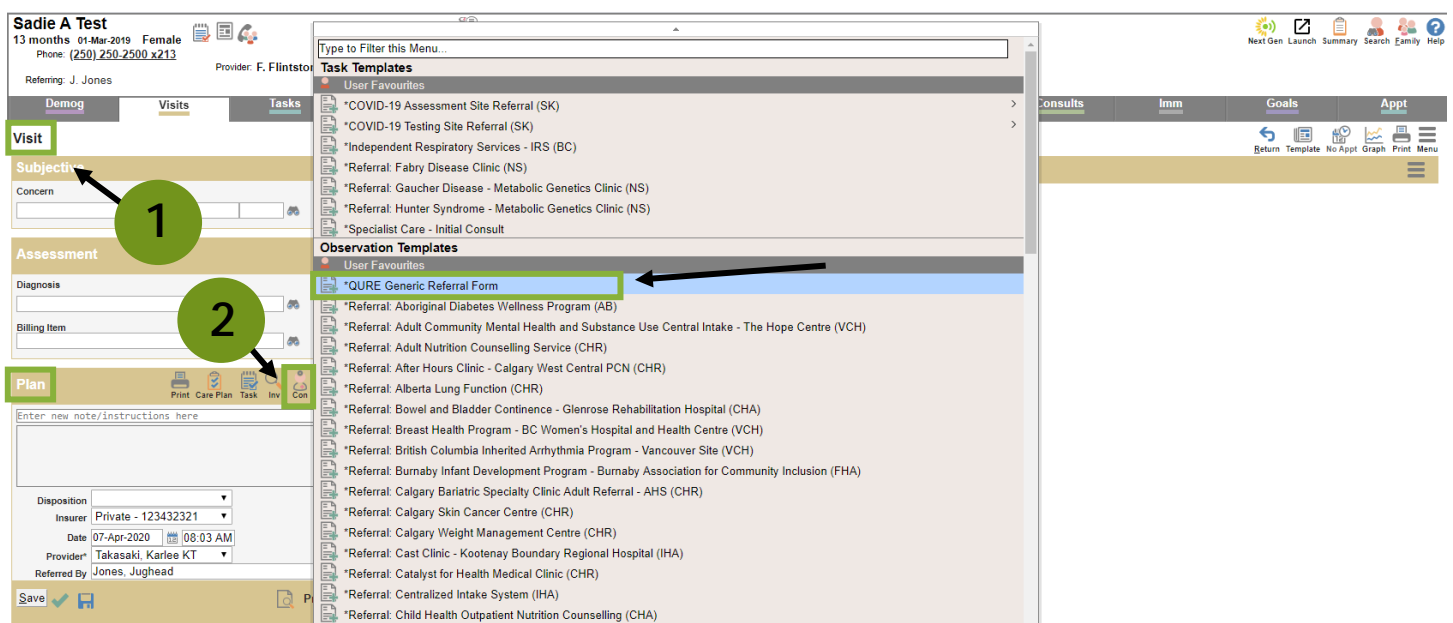

\*Referral: Alberta Lung Function (CHR) (system.med-access.net)

- Once the list appears, click the **Heart** icon to make the **QuRE Generic Referral Form** a favorite. It will now show up in the drop-down menu when you hover over **Consult**.
- Once you have favourited the **QuRE Generic Referral Form**, you can also click on the bolded name or the piece of paper and checkmark icon to use it in your current visit.

## 2 HOW TO ACCESS THE QURE GENERIC REFERRAL FORM FROM YOUR FAVOURITES LIST

- Within the patient's chart, go to the **Visit** tab.
- Hover over the **Consult** icon in the **Plan** section. The **QuRE Generic Referral Form** will appear under **Observation Templates**.

- Once you click on the **QuRE Generic Referral Form**, it will open in the patient's chart. Fill out any required information to complete the referral.
- Once you have completed your referral, you can send it through TELUS Med Access or you can print to PDF to attach the letter to an Alberta Netcare eReferral request.
