REQUIRED Annual Review: Vaccine Storage and Handling Module (approx. 90 minutes)

For Internal AHS Employees: MyLearningLink (MLL): [Home \(albertahealthservices.ca\)](https://albertahealthservices.ca)

For Vaccine Providers outside of AHS: ABSORB: [Vaccine Storage and Handling | Alberta Health Services](#) (Education & Training Resources section)

REQUIRED Annual Review: Fit To Immunize

Immunization Program Standards Manual:

- Insite [Fit to Immunize Tool \(albertahealthservices.ca\)](#)
- External AHS Website [Fit to Immunize Tool \(albertahealthservices.ca\)](#)

REQUIRED Annual Review: Adverse Events Following Immunization

- [Adverse Event Following Immunization Reporting | Alberta Health Services](#)

REQUIRED Annual Review: - Anaphylaxis

- Anaphylaxis Management - Administration of Intramuscular Epinephrine Learning Module (AHS Insite or ABSORB, approx. 40-50 min)
 - Insite: [Anaphylaxis Management | Insite \(albertahealthservices.ca\)](#)
 - ABSORB: [Public Dashboard | Primary Health Care Learning Portal \(absorbtraining.ca\)](#)
 - Anaphylaxis Management Exam - Administration of Intramuscular Epinephrine Exam (approx. 30 min)
 - AHS MyLearningLink: [Home \(albertahealthservices.ca\)](#)

Vaccine Providers outside of AHS must follow your organization's anaphylaxis protocols.
