

Corrections Outbreak Checklist 3

Roles and Responsibilities

AHS Physician / Nurse Practitioner / Medical Director

This checklist outlines the roles and responsibilities of the AHS physician, Nurse Practitioner or medical director before, during and after an outbreak. These actions help protect everyone at the centre and ensure a coordinated response to the outbreak. Refer to the [Guide for Outbreak Prevention & Control in Provincial Correctional Centres](#) and site-specific processes for comprehensive outbreak management.

Task/Responsibility	Timeline/ Frequency ⁱ
<input type="checkbox"/> Maintain familiarity with the Guide for Outbreak Prevention & Control in Provincial Correctional Centres .	Ongoing
