

Corrections Outbreak Checklist 4

Roles and Responsibilities

AHS Workplace Health & Safety Nurse

This checklist outlines the roles and responsibilities of the AHS Workplace Health & Safety Nurse before, during and after an outbreak. These actions help protect everyone at the centre and ensure a coordinated response. Refer to the [Guide for Outbreak Prevention & Control in Provincial Correctional Centres](#) and site-specific processes.

Task/Responsibility	Timeline/ Frequency ⁱ
<input type="checkbox"/> Maintain familiarity with the Guide for Outbreak Prevention & Control in Provincial Correctional Centres .	Ongoing
<input type="checkbox"/> Update internal outbreak resources for management of AHS HCW/staff.	As required
