

# What's on *your* MedList?

Doctors, pharmacists, and nurses – your entire health care team – need a **complete** medication list: prescribed medications, inhalers, patches, ointments, eye drops, vitamins, supplements – **and even that “special” herbal tea.**

Your **MedList** helps the team to provide the safest treatment.

To learn how to make your MedList, go to:  
**[www.albertahealthservices.ca/medlist](http://www.albertahealthservices.ca/medlist)**

**If it's on the list, it won't be missed!**

# What's on your MedList?

Doctors, pharmacists, and nurses – your entire health care team – need a **complete** medication list: prescribed medications, inhalers, patches, ointments, eye drops, vitamins – ***even herbal supplements and nicotine gum.***

Your **MedList** helps the team to provide the safest treatment.
