

President's Excellence Awards – Lifetime Achievement Scoring Worksheet

Lifetime Achievement – Individual award

This award recognizes the extraordinary efforts and achievements of an individual who has had a significant impact on healthcare over at least 20 years.

The nomination must demonstrate:

- What contribution was made, and what its significant operational impact was
- How continuous learning and innovation is encouraged and supported
- Leadership in positive change management
- Support for others to achieve their best
- Acknowledges, recognizes and celebrates contributions
- Welcoming and supporting diversity and inclusion

1) Achievement:

How well did this nomination summarize the individual's achievement through contribution, leadership, continuous learning and innovation?

10	9	8	7	6	5	4-3	2-1
Preferred			Very Good			Good	Fair
This individual exemplifies a broad and diverse career with exceptional qualities, skills and leadership to influence positive change to systems or individuals and supports others to find innovative solutions.			This individual demonstrates a moderate degree of contribution and innovation with varying degrees of involvement in leadership and influencing positive change to systems or individuals.			This individual demonstrates commitment and varying career experiences but has little or no involvement in leadership, innovation or continuous learning.	

2) Impact of Achievement:

What operational impact has this individual had?

10	9	8	7	6	5	4-3	2-1
Preferred			Very Good			Good	Fair
This individual has made a significant operational impact in healthcare.			This individual has had a moderate operational impact on healthcare.			This individual has had little operational impact on health care.	

3) Alignment with AHS Values: Compassion, Accountability, Respect, Excellence, Safety

How well does this nomination exemplify the AHS Values? What specific values are described in this nomination?

10	9	8	7	6	5	4-3	2-1
Preferred			Very Good			Good	Fair
This nomination exemplifies a high degree of alignment with the AHS Values describing linkages to the majority of the five values.			This nomination demonstrates a moderate degree of alignment with the AHS Values describing linkages with some of the five values.			This nomination provides little to no evidence that there is alignment to the AHS values.	

4) Sustainability:

Through their extraordinary efforts and achievements, how have they impacted health care and mentored other people to be their best? How have they provided support for employees through recognition practices, diversity and inclusion?

10	9	8	7	6	5	4-3	2-1
Preferred			Very Good			Good	Fair
This individual has made significant impact to health care through achievement and mentoring others in supporting positive change by acknowledging contribution and supporting diversity and inclusion.			This individual has shown achievement and demonstrates a moderate degree of leadership and inclusion while supporting others.			This individual has shown moderate achievement and has demonstrated a small amount of mentoring and support for others.
