

# Primary Care & Chronic Disease Management

## Education for Health Care Professionals

Due to the COVID 19 pandemic, our in-person provider workshops have been cancelled for the time being. We continue to monitor the guidance of the provincial authorities and will relaunch in person workshops when it is possible to do so.

We have started to deliver some provider workshops via Zoom. If you are registered in a workshop that has been cancelled due to COVID 19, we will contact you to offer alternatives as the online workshops become available. For now, we have delivered and are planning some of the diabetes and weight management provider education online.

If you were not registered but are interested in our classes, please use the information below to contact us.

- ◆ For further information about Diabetes provider education workshops, please contact: [Community Diabetes Team Hotline](tel:780-735-1050) at 780-735-1050 or 1-866-735-1050.
- ◆ For further information about Weight Management provider workshops, please contact: [Weight Wise Adult Community Team Hotline](tel:780-735-1078) at 780-735-1078 / 1-866-735-1078.
- ◆ For further information about Self-Management provider education, please contact: [Self-Management Support Team](tel:780-735-1080) at 780-735-1080. For information about HealthChange® education, please contact: [Edmontonzone.Healthchange@albertahealthservices.ca](mailto:Edmontonzone.Healthchange@albertahealthservices.ca)
