To: Health Care Providers
From: Dr. Digby Horne , Medical Officer of Health – Central Zone

Health Care Providers Wishing to Participate in the 2017-18 Central Zone Influenza Immunization Program

Re: Actions Required

Please find the [Influenza Immunization Program Newsletter](#) containing information about how to register for this year's immunization program, as well as other requirements such as cold chain, use of the vaccine inventory system, and reporting. Additional program details will be provided by the Central Zone Influenza Best Practice Coordinator, Wendy Malo (ph: 403-356-6409) following registration.

Thank you in-advance for your support of influenza immunization!

Sincerely,

Dr. Digby Horne
Medical Officer of Health
Alberta Health Services, Central Zone.
