

Have you used a naloxone kit to respond to poisoning or overdose?

Poisoning response experiences shared through the survey are used to improve the Community Based Naloxone Program to ensure that it meets the needs of Albertans.

Let us know about it with the Naloxone Kit Usage Survey

- The survey is anonymous
- Anyone can submit the survey
- Share as much or as little as you are comfortable sharing

➤ Find it at is.gd/naloxonekit, visit the link at ahs.ca/naloxone or scan the QR code:

➤ Email naloxone.kit@ahs.ca for support.
