

# Foods of the World – Research Poster

## Objective of Activity

To have students become aware of the different foods that come from different parts of the world.

## Teacher Background Information

- <http://www.foodbycountry.com>

## Material Required

- Poster board, magazines, markers etc.
- Computer generated photos or clip art

## Instructions

1. Review types of research materials (such as books, magazines, and internet).
2. Divide students into groups of 2-3.
3. Assign each group a different cultural group to research based on curriculum outcomes or have each group decide on a country they would like to learn more about.
4. Have the students research the following topics for their selection:
  - a. Food grown locally
  - b. Cultural/Traditional foods
  - c. Their version of a food guide (if there is one)
  - d. Local eating habits
5. Have groups organize the information onto a poster board using written information, pictures, food packages etc. Encourage creativity!
6. Each group will present their poster to the class.
