- (c) During the term of the temporary position, the incumbent Employee shall not be eligible to apply for other temporary positions that commence before the current temporary position ends unless otherwise mutually agreed between the Employee and the Employer.

- 29.05 (a) In making promotions and transfers, experience, performance and qualifications applicable to the position shall be the primary consideration. Where these factors are adjudged by the Employer to be relatively equal, seniority shall be the deciding factor.
- (b) If all applicants for a vacancy are Casual Employees, experience, performance and qualifications applicable to the position shall be the primary consideration. Where these factors are adjudged by the Employer to be relatively equal, the position shall be awarded to the Employee who has the greatest number of hours worked with the Employer.

- 29.06 Upon request of either party, the Employer and Union shall meet (in-person or via telephone) to discuss the criteria utilized in awarding a promotion or transfer.

Note: Clause 29.07 (a) amended for EMS in Local Conditions (Page 229)

Such trial period may be extended by agreement between the Union and the Employer. The Employer shall provide an evaluation of the Employee prior to the completion of the trial period. Should such Employee fail to succeed or request to return to their former position/status, during the aforementioned trial period, the Employer will make a sincere effort to reinstate the Employee in their former position/status, or, if such reinstatement is not possible, place the Employee in another suitable position. Such reinstatement or placement shall be without loss of seniority and at not less than the same rate of pay to which the Employee would be entitled had they remained in their former position/status.

- (b) Pursuant to Article 29, an Employee who achieves a transfer to a different position shall be transferred in a timely manner. Should the agreed upon transfer date be delayed by the Employer by more than twenty-eight (28) days, the Employee shall suffer no loss of income as a result of the delay.

29.08 When an Employee is promoted to a classification to which is assigned a higher salary scale, the salary of such promoted Employee shall be advanced to that step in the new scale which is next higher than their current rate or to the step which is next higher again if such salary increase is less than the Employee's next normal increment on the former salary scale. In the event that a promoted Employee is at the last increment in the scale for the classification held prior to the promotion, their salary shall be advanced to that step in the scale which is next higher than their current rate, or if such salary increase is less than the Employee's last normal annual increase, they shall be advanced to the step which is next higher again in the scale.

29.09 An Employee's anniversary date for the purpose of qualifying for an annual increment shall not be changed as a result of a promotion.

29.10 (a) When, because of inability to perform the functions of a position or by their request, an Employee is transferred to a classification to which is assigned a lower salary scale, their rate will be adjusted immediately to the step in the lower salary scale that will result in the recognition of service as provided in Article 15.

- (b) When, because of inability to perform the functions of a position due to illness or injury, an Employee accommodated into a classification in the bargaining unit to which is assigned a lower salary scale, they shall move to the pay step of the lower salary scale that is closest to but not higher than their present Basic Rate of Pay.

- (e) Where the regular hours of work of multiple positions cannot be combined in accordance with (iii) above, because they are in different classifications, they may be combined for the purposes of determining benefit eligibility only.
- (f) An Employee who holds multiple positions would have their salary adjusted to the highest increment level achieved in any of the positions currently held, providing that the positions are the same classification. The period for any further increment advancement would include any regular hours already worked and not credited towards the next increment level.

- (k) An Employee who accepts multiple positions acknowledges the Employer's requirement to manage shift scheduling based on operational need. If a schedule changes as a result of operational requirements, then an Employee may be required to resign one or more of their positions. Should an Employee be required to resign from a position(s) under these circumstances, they shall be given twenty-eight (28) days' notice of such requirement or such lesser time as may be agreed between the Employer and the Union.

RE: JOINT COMMITTEE

The parties recognize the value of an ongoing forum within which to discuss and seek to resolve issues of common concern. There are a number of issues between the parties that would benefit from joint study, discussion, and resolution outside of the collective bargaining process. Similarly, other issues of joint concern may arise which the parties may agree would benefit from joint study and discussion.

The parties agree that the purpose of the Joint Committee is not collective bargaining, nor is a substitute for collective bargaining. The Joint Committee is not a forum for personal issues or grievances, nor a substitute for arbitration. The purpose of the Joint Committee is to exchange information, enquire into and seek consensus about issues of concern, create joint interpretation bulletins, and make recommendations to resolve ongoing issues of policy and practice within the AHS/HSAA bargaining unit.

Where it is the intent of the Parties to create a Joint AHS/HSAA forum for the above stated purpose, the Parties agree as follows:

1. The Joint Committee shall establish Terms of Reference outlining the purpose of the Joint Committee, the schedule of meetings for the term of the collective agreement, its key functions, committee membership, and the reporting relationships for each of the Parties. The Joint Committee shall determine the issues to be addressed.
2. The Joint Committee will be comprised of Employer and Union representatives.
3. The Parties may meet quarterly, or as otherwise mutually agreed.
4. The purpose of the Joint Committee will be to:
 - a. exchange information;
 - b. engage in good faith discussions; and
 - c. share information with their respective principals on matters discussed by the committee.
5. The parties will provide available relevant information to allow for meaningful discussion of the issues. The parties will endeavour to provide this information in a timely fashion, and in any event not later than 30 days from the original discussion of the particular issue(s).
6. Upon date of ratification, any and all amendments to the current Collective Agreement shall be reviewed by the Joint Committee.

2. The determination is made by the manager in circumstances where an Employee requires an automobile to perform the primary and integral responsibilities of their position.

RE: INCREASING OR DECREASING FULL-TIME EQUIVALENCY

WHEREAS the Parties agree that it may be of mutual benefit to Regular Employees and the Employer to allow Regular Employees, who request to do so, to reduce or increase their regular hours of work; and

WHEREAS the Parties agree that increases and/or decreases to established FTEs can have the following positive effects on the workplace:

- Promoting a better work/life balance for Regular Employees by allowing them the opportunity to adjust their FTE as their lifestyle or personal circumstances change.
- Decreases to FTEs can provide increased choice to an Employee who gradually wants to phase or bridge into retirement and may create opportunities for formal succession or mentoring programs.

NOW THEREFORE the Parties agree as follows:

1. Regular Employees may submit requests to the Employer to increase or decrease their FTE. The Employer shall have the right to accept or reject any request for alteration of the Regular Employee's FTE based upon operational requirements.
 - (a) All requests by Regular Employees to adjust FTE's must be made in writing to the supervisor/manager and must state whether the FTE adjustment is permanent or temporary. The Union must be notified at the time the request is made. The Employer shall indicate approval or disapproval in writing within fourteen (14) days of the request and such request shall not be unreasonably denied, subject to operational requirements.
 - (b) If a Regular Employee requests to decrease their FTE by zero point three seven (0.37) or less, the resulting FTE may be posted in accordance with Article 29: Promotions, Transfers and Vacancies or reallocated amongst Regular Employees in accordance with this Letter of Understanding.
 - (c) If a Regular Employee requests to decrease their FTE by more than a zero point three seven (0.37), the resulting FTE will be posted in accordance with Article 29: Promotions, Transfers and Vacancies.
2. The Employer may approach Regular Part-time Employees with opportunities to increase their FTE's. Such additional FTE's may become available either as a result of a vacancy or through operational changes resulting in small FTE enhancements.

- (a) The maximum increase that can be offered by the Employer is a zero point three seven (0.37) FTE.
3. FTE's may be reallocated amongst Regular Employees within a functional work area. The Employer will advise the Union of the scope of the functional work area.
 - (a) FTE changes can occur between two (2) individual Regular Employees or can involve one (1) Regular Employee who initiates the request and a larger group of Regular Employees in the functional work area who participate in the reallocation of FTE's.
 - (b) The reallocation of FTE's is most effective in functional work areas where there are a significant number of working-level positions in the same classification. This allows the Employer to designate the Regular Employees in the functional work area who are "pre-qualified" or assessed to meet a minimum threshold to accept FTE adjustments that become available. Where more than one (1) Regular Employee is pre-qualified or meets the minimum threshold, the job is offered to the most senior Employee.
 4. Regular positions that are changed as a result of an FTE increase or decrease must comply with Article 11: Work Schedules and Shifts.
 5. Adjustments to FTE can be either permanent or temporary in nature. The Regular Employee who has temporarily reduced their FTE may return to their regular FTE prior to the end of the temporary period by providing a minimum of six (6) weeks written notice.
 6. When a Regular Employee reduces their FTE on a temporary basis, their pre-reduction FTE will be maintained. A Regular Employee who has been granted a temporary reduction in FTE through this Letter of Understanding will accrue benefits and entitlements under the Collective Agreement based on the reduced FTE during the temporary period. At the completion of the term of the temporary reduction, the Employee will be reinstated into their pre-reduction FTE.
 7. The manager and Regular Employee may discuss whether the Regular Employee's request can be best met through a reciprocal "exchange" in FTE's between two (2) individuals or a reallocation to other Regular Employee within the functional work area.
 - (a) **Individual-to-Individual Exchange**
 - (i) An individual Regular Employee initiates the process by identifying a "partner" with a corresponding FTE who is willing to "exchange" FTE's.
 - (ii) The partners must make a joint application to the manager.
 - (iii) If there are other Regular Employees in the functional work area who hold the FTE which the initiating Regular Employees desire, the Employer will ask these Employees if they would like the opportunity to exchange their FTE with the initiating Employees.
 - (iv) The manager determines if all affected Regular Employees are pre-qualified to exchange FTE's.
 - (v) Where multiple Regular Employees wish to exchange their FTE with the initiating Regular Employee, seniority will be the determining factor.

(b) Individual-to-Group Reallocation

- (i) An individual Regular Employee initiates the process by making a request to adjust their FTE without having identified a “partner”.
- (ii) Regular Employees are asked to advise their manager in writing of their desired FTE (this list will be updated as needed).
- (iii) The Employer can designate the Regular Employees in the functional work area as “pre-qualified” to move into positions that become available.
- (iv) The Employer reviews the “wish list” and identifies opportunities for FTE changes.
- (v) Regular Employees are made aware (e.g. fact sheet) of the impact that adjusting their FTE has upon their benefits, pension etc. and then are asked to confirm whether or not they accept the proposed FTE adjustment.
- (vi) The Employer may establish a limit defining how often an individual Regular Employee in a functional work area can initiate a request to adjust their FTE.

8. This Letter of Understanding has no application to situations requiring a Duty To Accommodate.

RE: FLEX HOURS

WHEREAS the Parties agree that for Employees in some disciplines, day-to-day flexibility around their start and end time provides the Employee with more control of the way their work is done and also increases their ability to provide responsive services to clients.

NOW THEREFORE the Parties agree as follows:

1. Employees may make a request to the Employer to implement flex-time arrangements. Such arrangement will be implemented by mutual agreement of the Employer and the Employee.
2. Flex-time arrangements are appropriate only where operations do not require routine and standardized hours of work.
3. Employees working flex-time are not expected to waive their overtime rights under the Collective Agreement.
4. Each Employee is responsible for monitoring their own hours to ensure they are not in an overtime situation.
5. When an Employee approaches their manager to request a flex-time arrangement, the Employee and the manager must develop a flex-time agreement that includes the following components, where applicable:
 - (a) Who is covered by the Flex-Time Agreement;
 - (b) The threshold that will be in effect with respect to payment of overtime. Options for thresholds are as follows:
 - (i) daily thresholds whereby hours worked between seven point seven five (7.75) and _____ hours are paid at straight time; or
 - (ii) weekly thresholds whereby hours worked between thirty-eight point seven five (38.75) and _____ hours in a week are paid at straight time; or
 - (iii) an alternate time period not exceeding six (6) weeks;
 - (c) The maximum flex-time bank that can be accumulated under the arrangement;

- (d) The application of shift differential and weekend premium;
 - (e) The process for scheduling time off in lieu for banked time and the payout of remaining banked time when the flex-time arrangement is terminated;
 - (f) How the flex-time agreement is terminated; and
 - (g) The notice time required for the agreement to be terminated by either Party.
6. Flex-time agreements shall be provided to the Employer and to the Union prior to implementation.

RE: TEN (10) MONTH POSITIONS

Subject to operational requirements, whereas the Employer provides programs that are operationally suited to ten (10) months of employment each year, the Employer may implement ten (10) month positions.

In areas where there is a blend of ten (10) and twelve (12) month positions, the Employer will endeavour to honour a request made by an Employee to work a ten (10) month position based on operational requirements.

Operational requirements include, but are not limited to, such criteria as client needs, coverage for core operational school year terms, and coverage for core twelve (12) month operations. Reasonable notice of twelve (12) weeks will be required prior to implementation of ten (10) month positions unless mutually agreed in writing between the Employee and Employer.

The Employer will provide at least eight (8) weeks written notice to those affected Employees of the days or periods of time when program commences or is closed as well as when it will be operating at reduced staff levels for the summer period, and, at least four (4) weeks written notice for the Christmas Holiday period.

Except as modified by this Letter of Agreement, all other articles of the collective agreement shall remain in full force and effect.

The parties agree as follows:

1. Employment will be for ten (10) full calendar months based upon the school year (i.e. September to June). Regularly scheduled hours of work will be such that all annual hours for an FTE will be scheduled during the school term.
2. Employees will be hired as Regular Part-time. Employees may request in writing to reduce their FTE hours in order to become eligible for a ten (10) month position based on operational requirements. The Employer shall approve or deny requests in writing within fourteen (14) calendar days.
3. It is recognized that, given the nature of the program, client levels and workloads in some areas may be reduced over the Christmas and Spring Break periods. Those affected Employees will be given the option of taking vacation, banked overtime, or a combination thereof. Excess vacation not taken during these break periods will be scheduled during the ten (10) month period as per Article 21.05(e) Time of Vacation. Vacation will not be utilized during the summer months.
4. Seniority shall be the determining factor when there is a dispute regarding Employees' preference for working or taking time off.

5. Sick leave is based on regular hours of work and will only be payable during the period where the Employees are scheduled to work. Should an Employee become ill during the period of unscheduled hours no sick benefits will be payable during these unscheduled hours.
6. If an eligible Employee becomes disabled anytime during the period of scheduled working hours benefits will be payable during the period of regularly scheduled hours during the school year. Employees will follow the normal waiting periods for Long Term Disability. No benefits will be payable until their first regularly scheduled day of work. If a disability occurs while an Employee is on unscheduled days, no payment will be received until such time as they are regularly scheduled to work. The normal waiting periods apply.
7. During the period of unscheduled hours, benefits will continue for eligible Employees. The Employee portion of premiums owing during this period will be deducted from the first pay period when Employees are regularly scheduled to work.
8. Employees interested in working during the two (2) months that they are not scheduled, should contact their Manager regarding their availability for casual work. Priority will be given to affected Employees providing they have the required skill set.

RE: REVISED GRIEVANCE ARBITRATION PROCESS

HSAA and AHS agree that there is mutual benefit in ensuring there is opportunity for each party to fully apprise itself of the merits of a grievance and options for resolution. Furthermore, the parties acknowledge that arbitration hearings and resolutions are not occurring in the most timely manner and that current practices result in costly cancellation fees and increased uncertainty for the parties. Both parties agree there is a shared obligation to improve the process.

To address the Parties' shared concerns, HSAA and AHS agree to trial a revised Grievance Arbitration Process ("GAP"), modifying, in part, Article 47 of the Collective Agreement in accordance with the following terms:

1. Nothing in this Agreement precludes individual Labour Relations Officers ("LRO") or legal counsel for HSAA and AHS Legal Counsel (or AHS designate) from engaging in discussions outside of this process to resolve or manage grievances. Rather, the parties acknowledge, support, and encourage those discussions at the earliest opportunity and throughout the grievance resolution process.
2. Both parties agree to take interim steps to decelerate the backlog of grievances and arbitrations including:
 - (a) AHS Legal has implemented an earlier review process. Upon receiving notification that a grievance has been advanced to arbitration, AHS Legal will obtain a copy of the file from Human Resources within four (4) weeks. Upon receipt of the file, Legal Counsel is assigned. Legal Counsel reviews and conducts an assessment to analyze the strengths and weaknesses of the case. This may require an additional two (2) weeks.
 - (b) HSAA agrees to forward all notices of grievances advanced to arbitration to Human Resources, Labour Relations and AHS Legal (via referraltoarbitration@ahs.ca).
 - (c) Counsel for the Parties will mutually agree to proceed by way of an Arbitration Board or a single Arbitrator.

- (d) Counsel for the Parties will select a mutually agreeable Arbitrator. After the appointment of the Arbitrator, Counsel will notify their respective nominees, where applicable.
 - (e) HSAA agrees to a sixty (60) day grace period subsequent to advancing a grievance to arbitration (“Grace Period”). Where deemed necessary, HSAA may insist on the current Collective Agreement timelines or such other timeline but HSAA agrees to involve AHS Legal Counsel in verbal discussions around this necessity prior to engaging these rights.
 - (f) Neither party will appoint or contact an arbitrator without first ensuring fulsome discussions have occurred between Counsel.
3. The parties agree to review this process no later than one (1) year following ratification of the Collective Agreement.
4. The parties agree that the Grace Period is not intended to be a permanent change to the grievance and arbitration process set out in the Collective Agreement and either party retains the right to revert to the Collective Agreement process at any time upon thirty (30) days written notice to the other side inclusive of reasons for why reversion is necessary.

This Letter of Understanding will expire March 31, 2024, or upon the date of ratification of the next Collective Agreement, whichever is later.

RE: RURAL CAPACITY INVESTMENT FUND

In addition to the provisions outlined in this Collective Agreement, effective the date of ratification¹, the Employer agrees to implement a Rural Capacity Investment Fund (“the Fund”). The Fund will allocate \$5.7 million per fiscal year for recruitment and retention incentives and for relocation assistance.

The Fund will be used to support initiatives aimed at addressing recruitment and retention challenges experienced by sites/programs/positions deemed by the Parties to be “difficult to recruit to” in the North, Central, and South Zones.

“Difficult to recruit to” may be determined by indicators such as:

- high vacancy rates;
- vacancies that remain unfilled for longer than ninety (90) days;
- high turnover; or
- mutual agreement of the Parties.

All initiatives approved under the Fund will focus on producing a stable workforce and sustaining that stability over the longer term. Funded initiatives may target new Employees, may focus on site/program-specific concerns, or may address broader recruitment and retention challenges for the Employer. The Parties agree that payment of recruitment and retention incentives or reimbursement for relocation expenses under this Fund will be conditional upon completion of a return-for-service agreement as agreed by the Parties.

The Parties agree that the recruitment and retention initiatives may vary, depending on the identified needs.

Operation of the Fund

A Rural Capacity Investment Fund Committee (“the Committee”) shall be established within thirty (30) days of ratification.

¹ The timing for reaching an agreement and obtaining ratification is likely to influence funding for the fiscal year ending March 31, 2023.

The Committee shall be comprised of 7 Employer and eight (8) Union representatives, representing North, Central and South Zones. One of the eight (8) Union representatives shall be a member of the current bargaining committee as selected by the current bargaining committee. The Parties may mutually agree to add additional representatives as necessary. The Committee shall meet within sixty (60) days of ratification and thereafter on a quarterly basis until the end of the term of the Collective Agreement.

The purpose of these meetings is as follows:

- to share information on the sites/programs/positions the Parties deem to be “difficult to recruit to” based on the indicators listed above;
- to bring forward for consideration and discussion recruitment and retention initiatives;
- to assess the effectiveness of previous allocations of the Fund.

The Employer will endeavour to use the entire Fund within each fiscal year.

At the end of the fiscal year, the Employer will provide the Committee with a breakdown of how the funds have been allocated in that fiscal year to address rural and remote recruitment and retention challenges in North, Central and South Zone.

Administration of the Fund shall be in compliance with AHS Finance and Audit requirements.

The Parties agree that the following shall be incorporated as a Local Condition applicable to the Fort Macleod Special Development Unit (SDU):

1.1 Hours of Work on Special Trips

- 1.0 It is understood and agreed that Regular Full-time Employees may, on a voluntary basis, accompany clients of the SDU on special out-of-town trips which will require such Employees to be in continuous attendance with the client outside of their scheduled shifts, and during the Employee's normal rest periods, and sleeping time.
- 2.0 Subject to the scheduling requirements of Article 11.02, the operational requirements of the Employer, without increasing the Employee's average daily hours of work, the scheduling of a Regular Full-time Employee participating in a special trip shall be adjusted, if necessary, in order to maximize the number of scheduled days of work which will occur during the period of the special trip.
- 3.0 In the event that a Regular Full-time Employee participates in a special trip, such Employee shall be entitled to compensation during such timeframe in accordance with the following:
 - 3.1 The Employee shall receive their Basic Rate of Pay for those scheduled shifts that fall during the special trip.
 - 3.2 In order to compensate a Regular Full-time Employee working eleven (11) hour shifts for being in continuous attendance with a client, during the Employee's normal rest periods and sleeping time, the Employee shall accrue an additional entitlement to four (4) hours' time off, at the Basic Rate of Pay, for each entire twenty-four (24) hour period which falls during the special trip; provided the Employee is required to remain out-of-town.

1.2 Article 21 Vacations With Pay – 21.05 Time of Vacation

The Parties agree that the timing and minimum vacation periods are important issues in the recruitment and retention of staff as well as in the deployment and coverage of staff on leave.

The Parties mutually agree to implement changes within specific departments as agreed and accepted by the majority of regular full-time and part-time staff within each respective department.

1.3 Modified Work Schedule for Screen Test

Mobile Scheduling

1. Normal shifts are three (3) twelve (12) hour days per week for a total of thirty-six (36) scheduled hours per week. For communities where travel time is greater than approximately four point five (4.5) hours, the team working the latter rotation may be Wednesday-Saturday with shorter rotations on Wednesday and Saturday for a total of thirty-six (36) hours over the four (4) days. The remaining two point seven five (2.75) hours per week required would be deemed to be flex time. These hours would be worked at the discretion of the Technologists and with the approval of the Employer, to perform other mobile-related responsibilities (e.g., vehicle maintenance, equipment testing, staff meetings).

2. (a) Standard shifts are as follows:

Both teams have the same basic schedule with Wednesday being an overlap shift.

If travel time is less than four point five (4.5) hours, the team working the latter half of the week will have shortened days on Wednesday and Saturday to make a total of thirty-six (36) hours over the four (4) days.

Week 1: Team A - MTW; Team B - WThFS

Week 2: Team B - MTW; Team A - WThFS

Week 3: Team A - MTW; Team B - WThFS

Week 4: Team B - MTW; Team A - WThFS

If travel time to a mobile Site is approximately four point five (4.5) hours or greater, the team working the latter half of the week will arrive on Site on Wednesday shortly before or after the team working the beginning of the week leaves to travel home. There may be a short overlap time or no overlap time. No Saturday shift is required:

Week 1: Team A - MTW; Team B - WThF

Week 2: Team B - MTW; Team A - WThF

Week 3: Team A - MTW; Team B - WThF

Week 4: Team B - MTW; Team A - WThF

In circumstances where an overlap shift on Wednesday cannot be worked into the schedule, the shift looks like this:

Week 1: Team A - MTW; Team B - ThFS

Week 2: Team B - MTW; Team A - ThFS

Week 3: Team A - MTW; Team B - ThFS

Week 4: Team B - MTW; Team A - ThFS

Note: Circumstances may require alternate scheduling on occasion, and this would be done with the mutual agreement of the Technologist team and the Employer.

- (b) The standard shift schedule may be changed from time-to-time subject to mutual agreement by the Parties.
 - (c) Technologists are eligible for overtime in accordance with Article 12 of the current Collective Agreement. Where a statutory holiday falls within a schedule, the schedule will be revised to take into account the statutory holiday. Specific days off may vary with each rotation, however, they will be identified on the schedule.
3. The maximum number of hours of work per scheduled shift is twelve (12), except when an Employee travels to remote locations or is scheduling a shift around available flight times.
 4. Standard hours of work would be from zero seven hundred (0700) hours to nineteen thirty (1930) hours or zero seven hundred (0700) hours to twenty hundred (2000) hours per day.

A mobile Technologist team has the option of having a supper break during or after their work shift. Standard hours of work, with the approval of the Employer, would be:

- (a) Inclusive of a meal break within the shift, hours would be zero seven hundred (0700) hours to twenty hundred (2000) hours, with twelve (12) hours of work, two (2) unpaid meal breaks of thirty (30) minutes each, and three (3) paid coffee breaks totaling forty-five (45) minutes.
- (b) With a meal break after the shift (supper), hours would be zero seven hundred (0700) hours to nineteen thirty (1930) hours, with twelve (12) hours of work, one (1) unpaid meal break of thirty (30) minutes, and three (3) paid rest breaks totaling forty-five (45) minutes.

This may be altered under special circumstances (e.g., a request from the host zone for evening clinics to accommodate working clients, special travel arrangements for remote communities, etc.).

- 5. Schedules will be available for review by the Technologists as provided for in Receiving Agreement. Before a schedule is finalized, the Technologists are invited to discuss with the Employer any concerns they may have, and the Employer will try to resolve all such concerns with the Employee. Any time a schedule must be changed after having been finalized, the Technologists will be informed as far in advance as possible, and will once again be given the opportunity to raise concerns arising from the changes.
- 6. Generally speaking, Mobile staff will not be scheduled to work on a statutory holiday. During a week when a statutory holiday falls, each Full-time Employee not working will be paid for seven point seven five (7.75) hours of statutory holiday pay. Technologists will also be scheduled for thirty-one (31) hours of regular duty during that week. Consideration may be given to scheduling Mobile staff to work on Canada Day and Remembrance Day, depending on their dates of recognition each year.
- 7. Article 11.02(a)(iii), shall not apply to modified day shifts, or to the first (1st) shift immediately before and after a modified day shift.

Article 12 regarding overtime is modified such that Employees will be eligible for overtime pay for all hours worked in excess of twelve (12) hours on a modified day.

- 8. Unless specifically noted otherwise in this Collective Agreement, all provisions of the current Receiving Agreement will remain in force.

9. Where an Employee requires overnight accommodation in conjunction with authorized Employer business, they shall be allowed a single room wherever possible. ARTICLE 10: HOURS OF WORK

Replace Article 10 in its entirety as follows:

Kananaskis Country Station Employees refer to Letter of Understanding #2

“10.01 (a) In the event that the Employer determines, based on operational requirements, that amendments to work schedules/shift patterns are required, at that time, the Parties will meet to discuss any amendments contemplated.

- (b) The Union recognizes the right of the Employer to schedule the hours of work in order to efficiently serve the needs of its clients while utilizing its budgeted resources as economically as possible. Therefore the Employer retains the exclusive right to schedule hours of work of Employees as necessary to provide coverage for the determined hours of operation.
- (c) In recognition of the emergency nature of the ambulance business it is agreed that all Employees will respond, whenever possible within a reasonable period of time, to any request to return to duty in the event of an emergency or an unforeseen disaster.

10.02 The Employer may schedule the hours of work for Employees who work a compressed work week, on the basis of other combinations of shifts up to twelve (12) hours to provide optimum staffing levels, as determined by the Employer.

10.03 Regular hours of work for a Full-time Employee shall be one of the following options as determined by the Employer, however any changes to an Employee's annual hours of work must be agreed upon by the Employer and Union:

- (a)
 - (i) forty-two (42) hours per week averaged over one (1) complete cycle of the shift schedule;
 - (ii) two thousand one hundred and ninety (2,190) hours per year;
- (b)
 - (i) thirty-eight point seven five (38.75) hours per week averaged over one (1) complete cycle of the shift schedule;

$$\frac{\text{Length of shift} \times 0.5 \times 60}{7.75}$$

(c) Availability During Meal Periods

When an Employee is required by the Employer to remain readily available for duty during their meal period, they shall be paid for the meal period at their Basic Rate of Pay unless they are permitted to take compensating time off for the full meal period at a later time in the shift. Such paid meal period shall not be included in the calculation of regular hours of work.

(d) Working During Meal and Rest Periods

If an Employee is required to work or is recalled to duty during their meal period or rest period, compensating time off for the full meal period or rest period shall be provided later in the shift, or they shall receive pay for the full meal period or rest period in accordance with the following:

10.05 Employees working on an emergency response/patient transport vehicle/aircraft or stand-by assignments are expected to take rest periods during their shift, as time permits, in accordance with Employer guidelines. The Employer guidelines shall not conflict with Employment Standards.

Where such an Employee has not received a rest period following five (5) continuous hours of work they may contact their responsible on duty supervisor to make arrangements for a rest period. Requests will not be unreasonably denied except where an accident occurs, urgent work is necessary, or other unforeseeable or unpreventable circumstances occur, or it is not reasonable for the Employee to take a rest period.

Rest periods taken in accordance with this clause are paid at the Basic Rate of Pay.

- (d) An Employee required to rotate shifts shall be assigned day duty approximately one-third (1/3) of the time unless mutually agreed to by the Employer and Employee provided that, in the event of an emergency or where unusual circumstances exist, the Employee may be assigned to such shift as deemed necessary by the Employer.

- (c) Any change in core hours shall require thirty (30) days’ notice unless mutually agreed to between the Employer and the Employee.

10.08 The Employer shall endeavour to ensure that Employees do not work more than fourteen (14) hours in a twenty-four (24) hour period. An Employee who is required to work more than fourteen (14) hours in a twenty-four (24) hour period shall be entitled to eight (8) consecutive hours of rest, exclusive of travel time to a maximum of two (2) hours, prior to commencing their next scheduled shift without loss of regular earnings.

10.09 On the date fixed by proclamation, in accordance with the *Daylight Saving Time Act*, of conversion to Mountain Standard Time, regular hours of work shall be extended to include the resultant additional hour with additional payment due therefore at the applicable overtime rate. RE: MULTI-SITE POSITION IN ZAMA CITY, RAINBOW LAKE AND HIGH LEVEL

The Parties agree that this Letter of Understanding applies to Regular or Temporary EMS Employees who work a regularly scheduled tour in Zama City or Rainbow Lake.

1. Notwithstanding any other provisions in the Collective Agreement, Zama City, Rainbow Lake and High Level constitute a multi-Site position for EMS. High Level is the hub for the multi-Site position. It is understood that currently AHS has contracted out the EMS services at High Level, however in the event that AHS again takes over the provision of services in High Level during the term of this Letter of Understanding, High Level will be included in the multi-Site position without impact upon any of the following terms.
2. Employees who work a regularly scheduled tour in Rainbow Lake will receive a premium for that regularly scheduled tour in the amount of one hundred and twenty dollars (\$120.00). The provisions for Employee Shift Trading in Article 10.12 of the Local Conditions Applicable to Emergency Medical Services, as contained in the Collective Agreement, shall continue to apply.
3.
 - (a) Employees who work a regularly scheduled tour in Zama City will receive a premium for that regularly scheduled tour in the amount of eighty dollars (\$80.00). The provisions for Employee Shift Trading in Article 10.12 of the Local Conditions Applicable to Emergency Medical Services, as contained in the Collective Agreement shall continue to apply.
 - (b) The Employer shall provide a vehicle to Employees for travel into Zama City at the start of a tour and travel out of Zama City at the end of a tour. Only in the event the Employer decides not to provide a vehicle for a tour, the premium set out in paragraph 3(a) for that tour shall be increased to one hundred and twenty dollars (\$120.00).
4. Employees who work a tour in High Level will not receive a premium for that tour, as premiums are only applicable to tours in Rainbow Lake or Zama City.
5. The Employer may reasonably require Employees to bring supplies in or out of Rainbow Lake or Zama City to or from High Level at the start, during or at the end of a tour.

6. These premiums are in recognition of the remoteness of these Sites and of the unique nature of this multi-Site position, including the travel to and from the Site and the supply needs for the Sites. Therefore, travel to and from the Site at the start and end of the tour and reasonable directions in relation to supplies shall not be considered in regular hours of work and overtime. The premiums are not part of regular earnings and are not pensionable earnings.

This Letter of Understanding will expire March 31, 2024, or upon the date of ratification of the next Collective Agreement, whichever is later.

HEALTH SCIENCES ASSOCIATION OF ALBERTA

**RE: INCREASING OR DECREASING FULL-TIME EQUIVALENCY SPECIFIC TO
EMS LOCAL CONDITIONS**

WHEREAS the Parties agree that it may be of mutual benefit to Regular Employees and the Employer to allow Regular Employees, who request to do so, to reduce or increase their regular hours of work; and

WHEREAS the Parties agree that increases and/or decreases to established FTEs can have the following positive effects on the workplace:

- Promoting a better work/life balance for Regular Employees by allowing them the opportunity to adjust their FTE as their lifestyle or personal circumstances change.
- Decreases to FTEs can provide increased choice to an Employee who gradually wants to phase or bridge into retirement and may create opportunities for formal succession or mentoring programs.

NOW THEREFORE the Parties agree as follows:

For EMS Employees working on an emergency response/patient transport vehicle or aircraft or as an Emergency Communications Officer the following shall apply;

1. Regular Employees may submit requests to the Employer to increase or decrease their FTE. The Employer shall have the right to accept or reject any request for alteration of the Regular Employee's FTE based upon operational requirements.
 - (a) All requests by Regular Employees to adjust FTE's must be made in writing to the supervisor/manager and must state whether the FTE adjustment is permanent or temporary. The Union must be notified at the time the request is made. The Employer shall indicate approval or disapproval in writing within fourteen (14) days of the request and such request shall not be unreasonably denied, subject to operational requirements.
 - (b) If a Regular Employee requests to decrease their FTE the decrease request is limited to zero point five (0.5) FTE only.

- (c) The resulting zero point five (0.5) FTE will be posted in accordance with Article 29: Promotions, Transfers and Vacancies.

For EMS Employees not working on an emergency response/patient transport vehicle or aircraft or as an Emergency Communications Officer the following shall apply;

- 2. (a) Regular Employees may submit requests to the Employer to increase or decrease their FTE. The Employer shall have the right to accept or reject any request for alteration of the Regular Employee's FTE based upon operational requirements.
 - (i) All requests by Regular Employees to adjust FTE's must be made in writing to the supervisor/manager and must state whether the FTE adjustment is permanent or temporary. The Union must be notified at the time the request is made. The Employer shall indicate approval or disapproval in writing within fourteen (14) days of the request and such request shall not be unreasonably denied, subject to operational requirements.
 - (ii) If a Regular Employee requests to decrease their FTE by zero point three seven (0.37) or less, the resulting FTE may be posted in accordance with Article 29: Promotions, Transfers and Vacancies or reallocated amongst Regular Employees in accordance with this Letter of Understanding.
 - (iii) If a Regular Employee requests to decrease their FTE by more than a zero point three seven (0.37), the resulting FTE will be posted in accordance with Article 29: Promotions, Transfers and Vacancies.
- (b) FTE's may be reallocated amongst Regular Employees within a functional work area. The Employer will advise the Union of the scope of the functional work area.
 - (i) FTE changes can occur between two (2) individual Regular Employees or can involve one (1) Regular Employee who initiates the request and a larger group of Regular Employees in the functional work area who participate in the reallocation of FTE's.
 - (ii) The reallocation of FTE's is most effective in functional Work Areas where there are a significant number of working-level positions in the same classification. This allows the Employer to designate the Regular Employees in the functional work area who are "pre-qualified" or assessed to meet a minimum threshold to accept FTE adjustments that become available. Where more than one (1) Regular Employee is pre-qualified or meets the minimum threshold, the job is offered to the most senior Employee.
- (c) The Employer may approach Regular Part-Time Employees with opportunities to increase their FTE's. Such additional FTE's may become available either as a

result of a vacancy or through operational changes resulting in small FTE enhancements.

(i) The maximum increase that can be offered by the Employer is a zero point three seven (0.37) FTE.

- 3. Regular positions that are changed as a result of an FTE increase or decrease must comply with Article 10: Hours of Work, of the EMS Local Conditions.
- 4. Adjustments to FTE can be either permanent or temporary in nature. The Regular Employee who has temporarily reduced their FTE may return to their regular FTE prior to the end of the temporary period by providing a minimum of six (6) weeks written notice.
- 5. When a Regular Employee reduces their FTE on a temporary basis, their pre-reduction FTE will be maintained. A Regular Employee who has been granted a temporary reduction in FTE through this Letter of Understanding will accrue benefits and entitlements under the Collective Agreement based on the reduced FTE during the temporary period. At the completion of the term of the temporary reduction, the Employee will be reinstated into their pre-reduction FTE.

8. **Evaluation**

The Joint Committee agrees to review and amend the Joint Guidelines on Staffing Initiatives no later than one hundred and twenty (120) days following ratification of the Collective Agreement.

- 9. This Letter of Understanding has no application to situations requiring a Duty To Accommodate.

This Letter of Understanding will expire March 31, 2024, or upon the date of ratification of the next Collective Agreement, whichever is later.

RE: EMS SPECIALTY TEAMS PARTICIPATION

The Parties recognize that Employee participation on EMS Specialty Teams is of mutual benefit to Employees and the Employer.

A Specialty Team member is an EMS practitioner who provides care and service, within their scope of practice, in a non-traditional environment using a unique platform. EMS Specialty Teams are not positions, but are assignments allocated by the Employer on an as-needed basis to existing Regular Employees who already hold positions within Alberta Health Services EMS.

EMS Employees may be appointed to participate on EMS Specialty Teams. Selection of Employees for membership on EMS Specialty Teams shall be at the sole discretion of the Employer based on requests for Expressions of Interest (EOIs) and eligibility will be identified on such requests for EOIs.
