New parking pay stations have been installed to make paying for parking more convenient.

- New parking pay stations are conveniently located at the locations marked above in yellow.
- Purchase a permit by entering your license plate before paying by coin or credit card (no need to return to your vehicle to display permit).
- Weekly permits are not available from the parking pay stations (please see next page for weekly permit purchases).
- Staying longer than expected? Before your time expires, add time to your permit without returning to your vehicle. Just enter your plate number at any pay station and follow prompts.
- Have a hard time remembering your license plate number? Take a picture with your smartphone.
- A new AHS Parking app is also available to start, extend and stop your parking sessions (details below)

See next page for more information.
