

# PPE Price List

External Providers receiving PPE and other critical healthcare supplies

Created June 9, 2020

Revised September 8, 2020

## Overview

This document contains the prices that AHS shall charge to **External Providers** for **PPE and other critical healthcare supplies** as per the Alberta Government news release on the distribution of PPE and supplies in support of Alberta's relaunch effort. Please note that this does not impact organizations that were excluded from the requirement to pay. These organizations shall continue to receive PPE and other critical healthcare supplies from AHS at no cost.

The prices are applicable for orders received September 1 to October 31, 2020. Orders received on or after November 1, 2020 shall be considered on a case by case basis but fulfillment shall not be guaranteed.

## Definitions

1. **External Providers** are certain healthcare and clinical service providers in Alberta, including but not limited to:
  - Contracted Diagnostic Imaging Clinics
  - Specialist Physicians
  - Primary Care Physicians
  - Primary Care Networks and their Members
  - Clinical Services Providers such as Respiratory Therapists
2. **PPE and other critical healthcare supplies** are products that AHS has made available for purchase to External Providers from May 25, 2020 until October 31, 2020, and include:
  - Disinfectant Solution
  - Dry Wipes
  - Disposable Coveralls
  - Nitrile Exam Gloves
  - Face Shields
  - Hand Sanitizer
  - Isolation Gowns
  - N95 Respirators
  - Procedure Masks
  - Safety Goggles

## Price List September 1 to October 31, 2020

**AHS prices for PPE reflect the cost of the product as well as distribution, administration, and processing. We will also be charging for delivery at cost. AHS does not make a profit on PPE distribution.**
