Daily Fit for Work Screening

Online tool for all AHS staff & physicians

Use the online tool to complete the Daily Fit for Work Screening questionnaire on your personal or work mobile device.

Complete screening before coming to work. Help reduce the spread of COVID-19 and protect our people and community.

- Visit ahs.ca/fitforwork
- Login with your AHS account information
- Fill out the questionnaire before every shift
- If you are fit for work, come to work. If you are not fit for work, stay at home and contact your manager.

Trouble logging in? Contact the IT Service Desk at 1-877-311-4300

Find the tool at ahs.ca/fitforwork or scan the QR code with your mobile device's camera.

**We're in this together.
We'll get through it together.**
