

COVID-19

COVID-19 immunization records with a QR code

Clients, please note:

We cannot provide or print COVID-19 immunization records, including those with a QR code.

The best way to get your COVID-19 immunization record is from alberta.ca/CovidRecords.

You can also:

- Have a copy printed for free at your local registry.
- Call Health Link at 811 to have a printed record mailed to your home address.
