COVID-19 immunization records

Clients, please note:

We are unable to print your COVID-19 immunization records here.

The best way to get your COVID-19 immunization record is from alberta.ca/CovidRecords.

You can also:

- Have a copy printed for free at your local registry.
- Call Health Link at 811 to have a printed record mailed to your home address
- Contact your community immunization provider (such as the pharmacy where you were vaccinated)
