

# AHS – Return of Virtual Visitation iPads

## Information for AHS Site Leads

### Summary

With the reduction of restrictions and the reduction in need for the Virtual Visitation iPads we will bring the equipment back to our Calgary warehouse to hold in the event of another COVID-19 wave.

### Returning Devices

- 1) Prepare the iPads for shipping. Please ensure that all accessories are included (cases, power adapters, cords, etc.) All iPads should be packaged to ensure they are protected during shipping. For security reasons, please do not indicate the contents of the shipment on the outside of the packaging.

Address for shipping:
