

COVID-19

No maternity patients are being admitted to this hospital at this time.

This includes labour & delivery, post-partum, newborn and NICU services.

Our maternity clinics are still open – and safe.

For emergencies, visit our emergency department. Questions? Please contact your maternity care provider.

For information about Covid-19, visit ahs.ca/covid.

We're in this together.
We'll get through it together.
