COVID-19 guide for parents of children going to school or childcare - children with symptoms part 1

COVID-19 Test: What do I do if my child has COVID-19 symptoms?

Testing:

• Be prepared: COVID-19 Test Booking
  - Alberta.ca/testing
  - Health Link 811
  - Online: ahs.ca/results

Test Result:

• If your child has COVID-19 symptoms and gets a test result, please note:
  - Your child is COVID-19 negative.

Next Steps:

• Call Alberta Health Services (AHS) at 811 if your child has COVID-19 symptoms.

• If your child is COVID-19 positive, you will be instructed on what to do next.

• If your child is COVID-19 negative, you can return to school or childcare.

• COVID-19 negative: Your child can return to school or childcare when:
  - The first symptom occurred at least 10 days ago.
  - There are no new symptoms.

• COVID-19 positive: Follow the instructions provided by AHS.

• COVID-19 guide for parents of children going to school or childcare - children with symptoms part 1
