COVID-19 guide for parents of children going to school or childcare - children with symptoms part 2

COVID-19 symptoms include:
- Sore throat
- Cough
- Fever
- Shortness of breath
- Chills
- Headache
- Muscle pain
- Loss of taste or smell
- Runny nose
- Congestion or nose-sneezing

Advice (Advice)
- Do not go to school or childcare if you have COVID-19 symptoms.
- Do not go to school or childcare if you have been in close contact with someone who has COVID-19 and have not been tested.
- Do not go to school or childcare if you have been informed by AHS to self-isolate.

Test Result (Test Result)
- If you have tested negative for COVID-19, you can return to school or childcare.
- If you have tested positive for COVID-19, you must self-isolate.

Next Steps (Next Steps)
- If you have tested negative for COVID-19, you can return to school or childcare.
- If you have tested positive for COVID-19, you must self-isolate.

Testing (Testing)
- A negative test result for COVID-19 is good for 24 hours.

Consultation (Consultation)
- Consultation with your health care provider is recommended.
